

Joining the AACU Community

We're excited you're exploring how to bring AACU's services to your organization. To help us move forward smoothly—and meet NCUA guidelines—here's a quick guide to what documentation we'll need based on the size of your group.

If your group has fewer than 3,000 potential members:

Please provide a letter (we've included a helpful template) that includes:

- The name of your organization or employer
- The number of individuals currently in the group and their locations
- How close your organization is to the nearest AACU service facility
- If you're an association, we'll also need a copy of your charter and bylaws (or similar documents)

If your group has 3,000 to 4,999 potential members:

We'll need everything listed above, plus a short explanation of why forming your own credit union isn't a fit. That might include:

- It's impractical or too costly
- There's not enough interest
- There are concerns about safety or soundness standards
- Resources are limited

And again, if you're an association, please include your charter and bylaws (or equivalent).

If your group has 5,000 or more potential members:

You'll need to submit:

- The same letter and details listed above
- An explanation of why forming a new credit union isn't feasible (see examples above)
- A letter from any credit union you're also eligible to join, confirming they're okay with you partnering with AACU
- Your association's charter and bylaws, if applicable

Heads-up: The letter should be on your organization's official letterhead.

Air Academy Credit Union
C/O Glenn Strebe, CEO
9810 N. Union Blvd.
Colorado Springs, CO 80924
