NO SMOKING POLICY

"Clean Air for Kids" - Jellystone Park™ is a Smoking Free campground, which means that if you smoke/vape during your stay you must do so inside your camper, RV or vehicle (with windows and doors closed). We also provide 2 designated smoking areas, one located close to the Ranger Station/Campstore, and one in Boo Boo Land so watch for signs showing these designated areas. Since the Province of New Brunswick enacted the Smoke-Free Places Act on July 1, 2015, we felt that it was important to provide children visiting Jellystone Park NB with the clean air quality they deserve. Also in New Brunswick, consumption of cannabis in any form is prohibited everywhere but at a private dwelling. Therefore, cannabis is prohibited here at Jellystone Park NB. Thanks for your cooperation!
