COLOR WARS PART 1

HSA/S1- June 28th, 2024

HSC/S2 – July 26th, 2024

Coming right back at cha this summer is...Color Wars Part One! Each year, we do our best to keep this day fresh with the addition of new and exciting TWISTS, and Summer 2024 will not disappoint. For those of you joining the Lincoln Family for the first time this summer, just know that this day promises to generate the utmost in team determination, energy, and passion in both our campers and staff members. All will heed the call of their Color Wars Team morning, noon, and night. Attention Current 9th Grade Campers...the time has come for you to produce an original and creatively choreographed song and dance routine complete with lyrics, as well as a brand-new Team Beat for Songfest 2024. May the best team win!

COLOR WARS PART 2

HSB/S1 – July 11th, 2024

HSD/S2 – August 8th, 2024

The epic battle between the **RED TEAM** and the **BLUE TEAM** will take place once again in one of the most anticipated days of each session. In 2023, the **BLUE TEAM** reigned supreme during both sessions, but 2024 is a new year where anything can happen and most likely will happen. Is this the summer where the **RED TEAM** turns the tide, or will the **BLUE TEAM** continue to ride their wave to the top? We will all know the answer soon enough. Your leaders have planned to keep all in the Lincoln Community guessing what this summer's rendition of Color Wars Part Two will entail. All they can say is to just be prepared to lead your team to victory and to contribute to the legacy that is Color Wars Part Two.

CAMP UPGRADES TO PROGRAM AREAS

Our commitment to providing unforgettable experiences and fostering personal growth remains unwavering, and we are delighted to inform you of some notable changes in our program areas. One of the most thrilling additions to our camp this year is the introduction of our brand-new Low Ropes Challenge Course. This course, designed to build confidence and inspire teamwork, will offer a series of engaging and physically challenging obstacles. Campers will navigate elements that encourage communication, strategic thinking, and trust all while having a blast. Also, the CL Bouldering and Climbing Walls will undergo renovations, with the Bouldering Wall receiving a “Cave Element”. We are confident this new addition will add a dynamic dimension to our adventure program areas.

With exciting new elements and fresh renovations added to our high ropes course, you will be scaling new heights and conquering obstacles you never dreamed possible.

Too, we have enhanced our WOB with exciting new components like the “Block-Ade,” “Jungle Jim,” and “Neptune.” These additions also include NEW Water Weenies attached to the end of the crib. With water-based activities being an integral part of our programming at Camp Lincoln, we are pumped to “amp up” our waterfront so that campers can enjoy refreshing days out on Lake Hubert.

2024 CAMP LINCOLN LTS

It is with enthusiasm that we announce the extraordinary young men selected to participate in our Leadership Training Program at Camp Lincoln this year. During this transformative journey, they will hone their leadership skills by engaging in teaching activities, fostering bonds during cabin stays, leading special days, and planning all camp events. We believe in their potential to thrive within the LT Program and ignite inspiration among future generations of campers.

PROGRAMMING ADDITIONS AND CHANGES

As we continue to look for ways to build upon Camp Lincoln's Summer Programming, we are excited to announce some additions to our summer line-up. The CL Trips Program will be reintroduced in 2024. Cabin Groups will once again be able to attend overnight "excursions" into the Camp Lincoln Pasture, local campgrounds, and state parks. Our goal is to bring back the traditional specialized activity and camping trips previously offered before COVID-19 during the Summer of 2025. In the same way, the Lincoln Programming Team will add a Fifth Traditional Activity Period during two of our seven activity blocks each session. This additional activity period will happen post-dinner and will allow campers to continue striving for excellence by gaining additional awards or just having fun in another exciting camp area. Finally, campers will have the opportunity to represent Camp Lincoln in various activities against other camps in Minnesota during each session. More details to come as to how campers will be eligible to participate in this additional offering. The directors hope that by adding these options to our summer programming, we can get back to our roots and allow campers to experience both old and new traditions at camp.
