**CAMP LINCOLN FOR BOYS
SPRING 2025**

PRICE: A SMILE

WE CANNOT WAIT TO SEE YOU!

The winter has been quite mild in Minneapolis which only means that **SPRING** is in the air as we gear up for what looks to be a very memorable summer at Camp Lincoln! Ryan, Stuart, and I recently finished our Spring Retreat, and have planned to bring back some old traditions, while introducing some new ones as well. You are in for an amazing summer filled with loads of fun and countless opportunities to push yourself outside of your comfort zone.

This summer is extra special as we celebrate **Camp Lincoln's 115th Anniversary!** For over a century, campers have come to the shores of Lake Hubert to experience adventure, friendship, and personal growth. We are honored to continue this tradition and cannot wait to make this summer one to remember!

As you arrive at camp, you will be welcomed into a brotherhood with men and boys from all walks of life. Together, you will build friendships that span beyond age, background, and interests, united by a shared sense of adventure, the fun of being at camp, and the love of the great outdoors. Whether you are a returning camper or are experiencing Camp Lincoln for the first time, you will quickly find that camp is more than just a place—it is a family.

At Camp Lincoln, each day is an opportunity to challenge yourself, discover new interests, and create unforgettable memories. Whether getting up for the first time in waterskiing, hitting a bullseye in archery, or laughing with friends around a campfire, every moment at camp is designed to help you grow and have fun.

Summer is even more memorable when shared with friends!

If you know someone looking for an exciting and meaningful way to spend their summer, invite them to be part of the Camp Lincoln experience. There is nothing like creating lifelong memories together!

Inside this edition of the Camp Lincoln Spring Railsplitter, you will find important programming updates, a glimpse into camp history, details about special events, and even a sneak peek at this summer's swag. We hope this helps you gear up for an incredible season ahead! If you have any questions, please do not hesitate to reach out as we are here to help!

Time flies, and before you know it, your bags will be packed, and you will be heading to camp to be a part of a supportive community where you will learn so much about yourself and the world around you. We cannot wait to meet you and be part of the adventures, discoveries, and friendships that await!

PROGRAMMING ADDITIONS AND CHANGES

Breaking News...Camping Trips Join This Summer's Action-Packed Schedule!

After a six-year hiatus, Camp Lincoln's Trips Program is **BACK!** This summer, Session 1 and 2 Campers will once again embark on unforgettable, overnight wilderness trips. Those choosing to connect with nature outside of camp can expect to canoe through some of the most notable lakes and rivers and hike some of the most scenic trails Minnesota has to offer. Campers in the cabins eligible for trips will be able to sign up for them on their activity sign-up sheet a few days before the designated departure date. For our Half-Session Campers, we will be organizing overnights just off of Camp Lincoln Property during one of their evening activities. The goal of these overnights is to introduce our Half-Session Campers to campcraft skills that we believe all campers should know, such as fire building, making s'mores, and pitching a tent.

As we reintroduce the Lincoln Trips Program this summer, we want to assure families that we are doing all that is possible to make them as intentional and safe as possible. Through the purchase of new equipment and the hiring of experienced, qualified staff members from all over the world who will oversee the program, trips at Camp Lincoln will hold the educational and entertaining premises that they once did. We are elated to bring back these experiences that have shaped so many campers' summers over the years.

Get Ready: Axe Throwing Arrives at Camp!

Ready, aim, throw! In addition to bringing our trips program back to camp this summer, we will also be reintroducing axe throwing as an evening activity offering at Camp Lincoln. Under the guidance of trained staff members, campers will learn proper axe-throwing precision, safety, and technique as they aim for the bullseye. To begin, our Session Campers will be able to participate in this activity as one of their cabin activities in the Wilderness Area at camp. In the future, we hope to take the feedback gained from this summer and potentially offer axe throwing as part of our normal activity pool selection. Axe Throwing is just another way for our campers to build confidence, focus, and a little friendly competition!

Reach New Heights: High Ropes for All!

Big news for adventure seekers—our high ropes course will now be open to campers of all ages! With an updated safety system and trained instructors, this challenge course will be accessible to more campers and will no longer just be reserved for those over the age of 12. If a camper chooses, he will be allowed to participate in the activity at least once in 2025. High Ropes will be on every camper's activity sign-up sheet and will no longer have the 'Must be 12+ years or Older' Notation. We are ecstatic to give everyone the chance to climb, swing, and zip through the trees like never before.
