Campers and Staff... Making friendships that last a lifetime!

Welcome to Summer 2007...

We are excited that you will be joining us this summer! Arrival day is just around the corner, too, with some staff arriving as early as mid May (to help get camp ready) and then many "Opening Days" through the summer. Whether you are coming for one of our traditional sessions, golf or tennis specialty camp, Coed Camp or Family Camp – we look forward to seeing you.

Our Spring Railsplitter highlights some of this summer's coming events and special days, so check out all the news and get acquainted with some of

our staff and programs that await you this summer. Our website is another source for summer 2007 information, so keep checking it out. One thing, are you aware of camp's Core Values? You will hear a lot about them this summer, so a helpful acronym for learning our Core Values is the word "CEF-PQ". Community, Excellence, Fun, Personal Growth and Development, Quality Relationships! Try it...and see if this helps.

Your parents have already received a packet that contains information about getting ready for camp,

including clothing and equipment lists, a health and data form, travel form, luggage tags, etc. Please make sure that they get the requested paperwork back to us as soon as possible. Thank you!

If you have any questions, please let us know. You can write, e-mail us at info@lincoln-lakehubert.com or call us at 800-242-1909.

We'll see you on "Opening Day"!

Sam, Bill, Ruggs, André, Laura, Andi, Lynn, Wendy and Kevin

Winter Office

Hello campers and welcome to the winter office.

My name is Wendy Krueger and I'm the

Office Manager for camp. During the winter, I help your parents get you enrolled for camp. This includes getting the Camp Lincoln/Camp Lake Hubert Beanie to those of you who

enrolled in our "Early Bird Program". I hope they helped keep your head warm on those cold winter days.

Winter is also very busy mailing and emailing the Movie Showing announcements to you and your parents. This year we visited a lot of cities across the nation and many of you showed up to make them a great success. Thanks! I also make sure that

information about Camp Lincoln & Camp Lake Hubert is sent to your friends. Keep up the good work and get those Boosters in to me!

Spring is here and we are getting ready for camp. This means packing up all our stuff and moving Up North! I hope you are as excited as I am that summer is almost here. See you soon!

If you're not enrolled yet...it's not too late!

Please check the website for space availability or give the camp office a call 800.242.1909.

Wouldn't you like to try all sorts of new crafts, windsurfing, martial arts, high and low ropes courses and so much more...this summer???

How do I join the *Booster Club?*

Last summer proved to be yet another amazing year for campers recruiting campers. Our Booster Club Membership grew, and with it the prizes came more prizes! 2006 saw our first Level 4 Member, Emily Bonello! Emily's drive to tell everyone about her love for Camp Lincoln & Camp Lake Hubert was clear, pushing her up the maximum 3 levels in just one summer! Let's hope she can do it again in 2007, and Camp will give away its first Mountain Bike!!

Thank you to everyone who sent in a Booster Club Card already this year, and to all of you who have and continue to share your love for camp! Check out the list of current referrals below.

Check the Asterisk's() next to names in the 2007 Roster to see who is a member of the Booster Club!!!*

Don't see your name on the list? It's not too late! And it's easy! To join, just send in the Booster Club Card with your friend's name and address. We take care of the rest! Once we receive the card, we will mail your friend a brochure and DVD to help you share your memories of camp with them. That's the first step, and will earn you a spot on our Booster Club Honor Roll. This summer you will be presented with a patch at camp, and invited to the Official

Booster Club Party! If your friend enrolls for camp, you jump to Level 1, where in addition to the patch and party, you earn additional Camp Lincoln & Camp Lake Hubert Memorabilia! Take a look at what each level with earn you:

- **Level 1 – Engraved Mini-Paddle**
Perfect for hanging on your wall or displaying next to your CL/CLH yearbook!
- **Level 2 – Camp Blanket**
The coziest blanket around... think soft, fuzzy sweatshirt big enough to curl up with!
- **Level 3 – Fleece Pullover:**
Just what you need for campfires, campouts or any cool evening event!
- **Level 4 – Camp Jacket:**
Exactly what you need for your return to school in the fall!
- **Level 5 – Mountain Bike:**
That's right...we mean business! We'll purchase a bike fit just for you and have it sent straight to your door!

Each year is a new opportunity for you to climb the Booster Club Levels and earn more gifts! You can climb as many as 3 levels in a summer, and each friend you refer who enrolls brings you one step closer. So get out there and share the magic of camp! No one knows more about that magic than you!

Whether playing a game of baseball or singing with your cabin...Fun and Smiles abound at CAMP!

How to Stay in Contact with Family and Friends!

Letters are the best method of keeping in touch with your friends and family. Bring lots of stationary and stamps, and remember to give our camp address to all of your friends and family before you depart for camp! Tell them to address your letters as follows:

YOUR NAME

Camp Lincoln or Camp Lake Hubert

PO Box 1308

Lake Hubert, MN 56459

Again, we discourage any packages, so remember to pack everything you'll need! If you forget medication, plane tickets, or essential clothing, have your parents send these to camp and we will open them and deliver the items to you. Please have your parents check the Parent Reference Book for what is appropriate to send. Your parents will also find out how to email you while at camp on page 10 of the Parent Reference Book.

2007 Leadership Training Programs

Congratulations to this summer's Level 1 and Level 2 Leadership Training Program Campers! André and Laura were thoroughly impressed with both the number and quality of this year's applicant pool. In fact, this was one of the largest years in program history for Camp Lincoln. The increase in applicants can be attributed to the rich tradition that the programs at both Camp Lincoln and Camp Lake Hubert bring with them and the nationwide trend that shows older youth wanting to remain a part of the camp community past their 8th Grade summers.

The Leadership Training Program is a two-year program for our 10th and 11th Grade Campers. These young men and women must apply and answer 12 to 14 college-essay type questions as part of the application process. After reviewing the applications and recommendations,

the group for that particular summer is chosen. Both levels of the program are unique, but have at their core skill development in and out of our activities, relationship building in and out of the cabin and total leadership opportunities within the camp community. The main goal of the program is to help these future leaders learn of their strengths and areas of growth so that when they return to their home environments, they are better equipped to lead and to be led.

For those of you that were selected to be a part of this special group of campers, we applaud your efforts and look forward to working with you very closely during your time with us. You will be challenged and at times, you may even be overwhelmed. However, you will feel an immense sense of satisfaction and personal growth at its conclusion. Best of Luck!

2007 Camper Council

The Camp Lake Hubert Camper Council is a group made up of one camper representative from each cabin that meets weekly. This very hard working Camper Council from the summer of 2006, came up with the following Camper Council Ideas that will be used at Camp Lake Hubert in 2007. Get excited for these changes and being part of this year's Camp Lake Hubert Camper Council!

- Campers will decorate their own nametags when they get to camp.
- One day each week, divisions will have a Spirit Day so come prepared for each...
 - ~ Crazy Hat Day – Wear a kooky hat all day!
 - ~ Backwards Day – Flipping things around, we'll be starting with dinner at breakfast and ending the day with breakfast. You can wear your clothes inside out, backwards or even upside-down!
 - ~ Crazy Sock Day – Dig deep into your sock drawer and find the zaniest socks to wear on this colorful Spirit Day!
- ~ Mismatch Day – As if crazy socks weren't enough, put together the most mismatched outfit you can find and see if you can out-mismatch your cabinmates!
- Camp will continue to offer rowing as an activity in the early morning when the lake is calm and rowing is at its best and maybe even at activity time!
- Camp will also offer yoga during non-activity time (i.e. early morning or free swims) in Junior Lodge.
- Well received last summer, and back again, we will enjoy an occasional lunch time sandwich bar in the dining halls once each week.
- Our newest activity at camp will be creating your own scrapbook of camp. All handmade, you'll create and decorate a cover – front and back; a page with 2 pictures taken during the block activity; and put it all together in a hand bound scrapbook. This activity is expected to be so fabulously popular that it will be offered as a one-time only, one period, one block activity. A fun twist on a new trend!

C . A . M . P EXPECTATIONS

Who will be in my cabin?

In each cabin, we place campers who are staying for the same length of session (four weekers with four weekers and two weekers with two weekers). Then, we look at grade level and try to fill cabins according to the grade you previously completed. So, you will be placed in a cabin with campers similar to your own age.

It is to your benefit to meet and start friendships with as many new people at camp as you can, yet we also value the ties you have with friends at school or friends that you have made at camp in previous years. Therefore, we encourage that you request a maximum of one cabin-mate. It's best to have a good balance in each chalet (sleeping room) of new campers, former campers, campers coming on their own or campers coming with friends.

There will also be four to five staff members in each cabin. They are there to ensure your safety, offer all types of support and of course, to have FUN with you!

2007

Our 98th Year... brings exciting changes to Camp Lincoln and Camp Lake Hubert

Changes at Camp Lincoln...

Badger Cabin now has been updated just like **Gopher Cabin** with a flashy new bathroom and outside decks front and back.

One **New Tether Ball Courts** are located near the **Rangers Cabin** plus another new tether ball court at a mystery location (so when you get to camp see if you can find the other new court). What a great addition to all the other courts and areas we have for open time, plus the **Ga-Ga Court**, volleyball, basketball, and ping pong areas inside and out, plus our frisbee golf course.

Speaking of Frisbee and Disc Golf, look for the new **Ultimate Frisbee Field**, a part of our big athletic field, and the expanded **Disc Golf Course** with new holes located in the center and Prep area of camp. You'll be surprised about the advanced challenge of these new holes.

Keep checking our website for program additions and updates for 2007. We're still hoping to teach **Magic** again this summer as well as expanding **Rocketry** from our program last summer.

New biking trails are in the design phase as we expanding the challenge of our **Mountain Biking Program**. All of our bikes have been overhauled and some new ones purchased and at camp already for 2007.

Low Ropes has several new thrilling events and the entire area for low ropes and the **climbing wall** has been redone with massive amounts of wood chips after the whole area was cleared to make more space for all the challenges and fun events.

Archery has new larger target backstops to help stop those occasional misdirected arrows. New bows and arrows, along with arm guards, will all help to make archery even more exciting as well as improving accuracy.

Last year's major change and update to our **Baseball Field** has been enhanced even more with a new underground sprinkler system to keep the field green even in dry periods of the summer. This irrigation system also includes the **Lacrosse Field**. Remember we have gloves, bats, sticks, balls, and all the equipment you'll need right at camp or you can bring your own...but make sure it has your name on it, if you do!

Changes at Camp Lake Hubert...

Our youngest four week campers will delight with the upgrade in **Robins Cabin** having cool new entrances on the lake side of the cabin, an expanded bathroom and deck on the upper level just like what was done at **Windy Lodge**.

Three years ago we opened the new shower building in Junior Camp to wild reviews from our campers and now the **Senior Camp** girls have a brand **New Shower Building** which will be ready for this summer. The building features larger mirrors, double the number of showers, a fully tiled building, better lighting and exhaust system will all add to an exciting new addition for 2007.

Archery has some new larger target backstops to help stop those occasional misdirected arrows. New bows and arrows, along with arm guards, will all help to make archery even more exciting and improve accuracy.

Watch for the line up of **New and Challenging Trips** for the four week campers including rock climbing, canoeing, and kayaking trips to sign up for during your stay at camp.

High Ropes and Low Ropes have a new bed of wood chips below all events that makes the environment of the challenge courses even more appealing.

Down at the waterfront, watch for our new **Log Roll Event** (a mini concept of our big water wheel). Also our new rowing instructor hopes to have our four women **Rowing Shell** be a common sight gliding across Lake Hubert.

Camp Lake Hubert will also have our own **Frisbee Golf Course**. PLUS some **New Hammocks** down by Junior Lodge. PLUS a new event with stations that will be around the camp area like the rope swings, hammocks and stilts. Hand to eye coordination at the new **Cup Stacking Tables** will offer a new and unique interaction for all campers.

DID YOU KNOW...

You can keep in touch with what is going on at camp by checking our camp website www.lincoln-lakehubert.com and also make a post on the message board to some of your staff or camper friends about what you are looking forward to this summer?

“What Is It” Contest? Here’s a mystery picture from winter at camp. Can you guess what it is? GO to the bulletin board on our website and make a guess.

Special Day Themes are listed in this paper for the summer so make sure you check the themes scheduled when you’re at camp.

The seventh and final book of the **Harry Potter** series is being released this summer on July 21st and we expect the arrival by mail (not owls) of many books so you’ll be able to share with friends the newest book while you’re at camp.

C . A . M . P EXPECTATIONS

How will I arrive at Camp?

If you are flying into Minneapolis/St. Paul: A staff member (wearing a Camp Lincoln & Camp Lake Hubert 2007 Staff Shirt) will greet you at the gate. From there you will get onto one of our buses and head on up to Lake Hubert (about a 2 1/2 hour ride). Once you arrive, you'll phone your parents to let them know you have arrived and that you are ready for days of endless FUN! Then, finally, you have time to settle into your cabin!

If you are coming from the Twin Cities area by bus: You'll gather at the Concord School in Edina (schedule in Parent Reference Book) and then head on up to Camp. Upon arrival, you'll call the folks and then join the rest of your fellow cabin-mates in settling in!

If your parents are bringing you to camp: Plan to arrive between 1pm and 5pm. Take your time settling in and feel free to walk along the paths with your parents, familiarizing yourself with the area.
