CAMP LINCOLN FOR BOYS | CAMP LAKE HUBERT FOR GIRLS

Cabin fun at the spider web.

How many different horses did you ride?

I like golf!

Mountain biking is a challenge.

2009...An exciting summer to be at Camp! Our 100th Year...Don't miss it!

Everyone is looking forward to being a part of this special and significant year at camp. Are you enrolled yet?

There are very few camps in the country, and especially in the Midwest, that have reached such a milestone. So we are thrilled that the tradition of camping excellence, started in 1909, continues today at Camp Lincoln and Camp Lake Hubert.

This summer we plan to build upon and recognize our 100-year long-standing tradition. A history room will honor the past...there will be stories and photos of years past... alumni from many decades will share their memories...an old cabin from the 1920s will be refurbished "as it was then"...you'll find lots of memorabilia around camp...some of the old traditions and songs will be revitalized...special days will focus on 100 years...there will be celebrations and fire-

works...the camp store will carry a historic 100 year t-shirt and sweatshirt (only available at camp)...plans for a Legacy Building will be announced... and you will definitely want to be a part of the 100 Year Time Capsule. Plans are also underway for the creation of a new totem pole at each camp, carved right on the camp grounds – and might the time capsule be buried at the base?

An exciting summer indeed! Bring your enthusiasm, and if you have some old camp shirts from your parents or grandparents, bring them along.

Talk to your parents and enroll for 2009 now. We hope you'll join us for our 100th year!

Loon jumping is fantastic!

The adventure of a kayaking trip.

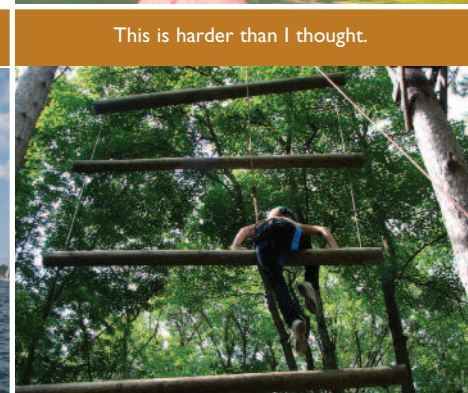

Getting off the bus is exciting.

Camp friends are best!

Camp has over 40 boats in our fleet.

This is harder than I thought.

2009...Celebrating 100 Years!

FALL 2008

Ultimate frisbee is fast.

Carnival Day costumes.

The goalie doesn't stand a chance!

I know I can make it!

I can actually start a fire.

Camp Lincoln Camper

Every year, I have the choice of what I want to do over the summer. Unlike a lot of my friends, I know where I am going without question; I know I am going to Camp Lincoln for Boys. There is nothing forcing me to go to camp every summer, but I make the decision based on many things that I experience while I am there. At camp, I can do things that I cannot do at home. Reuniting with the activities or even trying them out for the first time is always so exciting. It is so awesome to go home every year telling my friends that I learned how to sail or that I mastered windsurfing while a lot of my friends tell me they mastered Halo 3. Not only do I get

the opportunity to do so many fun activities, but I also get to meet people from around the world that have so many things in common with me. If it were not for camp, I would not know anyone from Paris, France, or Mexico City, Mexico, and who I hope will be long time friendships. The opportunities are endless at camp, which in turn give so much back to the camper. Camp Lincoln has given me some of my best friends and some of the best times I have had in my childhood and young adult life. The decision I make to go back to camp is easy and I will go back as long as I am able to do so.

2008...Our 99th Season Gives Way to Historic Year

What a great summer 2008 was! The campers and staff were outstanding, the weather was terrific all summer long, and the responses from our camper and parent surveys confirm that the Camp Lincoln and Camp Lake Hubert experience was beyond expectations. We are pleased, and it is most rewarding to know that camp's focus, and everyone's buy-in, on our five important core values does make a difference in creating a supportive, caring and exciting camp community. There is no doubt that the friendships made, the PG&D gained, the striving for excellence, and the daily fun of camp life makes for an experience to be long remembered. Thank you for being a part of our 99th season.

Now we head into another milestone – our 100th Year. We hope that you will join us. It is going to be another spectacular summer!

FUN FACTS...

- One of the original camp cabins from the early days is the current wilderness shack and Prep Camp luggage shed at Camp Lincoln.
- The first proto type cabin, with three chalets, was the Badger Cabin at Camp Lincoln (the center portion).
- The ecology building at Camp Lincoln was built by Cal Rutstrum (\$45 60) with help from campers and staff.
- Closable windows were added to the cabins in the 1950s as was running water for indoor bath rooms.
- The current dining hall at Camp Lincoln was built in 1947, with several major additions/remodels since then. Lincoln Lodge, along the waterfront, was the original dining hall.
- Up until the 1960s all the cabins and other buildings at camp had a yellow color paint finish.
- In the early years, ice for refrigeration was cut from the frozen lake in large blocks during the winter and stored in layers insulated by saw dust for use during the summer.
- The high ropes course was completed at Camp Lake Hubert in 1984.
- The current Rally Days were once called Circus Days, with cabin groups hosting fun and crazy booths on the field area at Camp Lincoln.

CAMP YEARBOOKS

Camp Yearbooks are in the final printing stage of completion. Watch for your camp yearbook too as they should be arriving in the mail about Thanksgiving time. What a fun way to relive all your memories of camp!

Eden Prairie, Minnesota – Camp Lake Hubert Camper

Every Summer I return to Camp Lake Hubert on the shores of Lake Hubert (2009 will be my 6th including family camp) not only to continue old friendships and learn a new cabin song but to feel truly at home. Nothing compares to a place where you can break into Fred the Moose and everyone knows the words, where you can squirt people with your banquet dinner, where memories with old friends and new friends are made.

Over my 5 summers at camp I have learned and grown so much. Beginning my camp experience at age 9, I was overwhelmed at all the things camp had to offer and didn't branch out much. But as the years went by I began doing more and more, overcoming many of my fears I was most terrified of, such as riding in a sailboat. I've learned to laugh at myself and be content with who I am. Every August, I leave camp a new person, a person not afraid of any obstacle thrown her way. See you next year at Camp Lake Hubert!

One Camper or Staff Member Can and Do Make all the Difference in the World

Reduce, Reuse, and Recycle...

Here are some ideas we encouraged you to try and we noticed a difference at camp:

- Turn off lights when leaving the cabin or activity.
- Turn off water while brushing your teeth.
- Take shorter showers.
- Walk where you can rather than drive.
- Get exercise each day to stay healthy.
- Eat food that is good for you and avoid excessive snacks.
- Turn in extra supplies so they can be reissued.
- Help us with recycling cups, cereal bowls in the dining room and other areas.
- What are some other areas you have thought about for camp in 2009?

BOOSTER CLUB

Will this be the year that someone will earn that level 5 Booster Club award? A mountain bike! We think so, and you could be on your way to earning your first, second or next level prize. All you have to do is send in the name of someone, friends, school mates, relatives, neighbors, (not siblings, remember) who might be interested in learning more about Camp Lincoln or Camp Lake Hubert. A special Booster Club Card is available, or you can send in the name and address of your boosteree by email or letter.

Just sending in a name gets you into the Honor Role Membership, so you can attend the 100th summer's Booster Club Party. If that camper enrolls and comes to camp, you can earn your way up to these five levels of appreciation gifts:

- Level 1 Engraved Mini Paddle
Perfect for hanging on your wall.
- Level 2 Camp Blanket
The coziest blanket around.
- Level 3 Fleece Pullover
Just what you need for a cool evening event.
- Level 4 Camp Jacket
Great for returning to school in the fall.
- Level 5 Mountain Bike
We'll purchase a bike fit just for you and have it shipped to you.

See our website for details and prizes, but be sure to send in your referral names soon.

HOW TO CONTACT OTHER CAMPERS...

It's easy. If you lost their address then just write a letter to them and address it with the campers name, % of Camp Lincoln or Camp Lake Hubert, PO Box 1308, Lake Hubert, MN 56459 and we will forward it along to them. Camp Friends are Best (CFAB)!

Scott Hartle

Archery Director Birmingham, United Kingdom

For me, Camp Lincoln has altered my personal life in ways, which I would never have imagined possible. When arriving to camp I was a partially closed off individual not knowing what to expect, with my guard up. After a few days I began taking bricks down from my wall and developing a sense of belonging to camp. When the campers arrived I was astonished at the energy level, which was buzzing around camp, it was amazing and I immersed myself into it. I was the Archery Director at camp, which at first I was nervous about, taking care of all these campers, all with whom would be holding bows and arrows, scary. But after my first session, which went very well, I enjoyed my job immensely and felt so proud and happy when the campers earned their awards. For me the

hardest thing to do was talk in front of large groups and to let myself go, for example sing, or act the fool. So during camp I forced myself to do just those things and getting my directors to help me with that. From reading at birch church, handing out awards and even singing in front of groups of people I did it all and enjoyed it. The bonds of friendship that develop during camp are incredibly powerful, ones which are not confined to where each other lives or what their native language is, they rise above such technicalities and flourish. The friends that I have made are part of my life, we have taken a journey together that will never be forgotten. For me camp was a whirlpool full of emotions.

Carolyn Barenbaum-Meyers

Omaha, Nebraska – Camp Lake Hubert Staff

Summer 2008 at Camp Lake Hubert was a memorable summer for me, my 7th. As a past camper and first time staff member, it was everything I hoped it would be and more. I was a counselor in the Nutcracker cabin and I loved every minute of it! The girls were amazing; along with the staff I was fortunate to work with. Each one of the girls was special to me and they always put a smile on my face. Nutcracker had so many wonderful memories this summer; the mysterious appearing butter, adventures at The Lodge water slide, Nutcracker night at the power pole, karaoke and so much more! My favorite song would be Civilization or Barges and my favorite meal is grilled cheese sandwiches and tomato soup.

I hope to return in the summer of 2009 because one summer on staff, is just not enough! As a staff member I learned so much about the magic of camp and the importance of the core values. The core values of camp affect me even when I am away from camp. I truly value all of my relationships that have formed at camp because they are some of the best friends I have ever made! They are always there for me! My camp friends will always have a special place in my heart because of the times we have been together at Camp Lake Hubert, laughing, sharing, exploring new activities and just being crazy, makes you like family.....like sisters.

Thanksgiving 2008

We all have much to be thankful for because our lives are abundant with friends, memories of our experiences and hope for the future to be even better. Our best wishes to each of you and all of your family as you celebrate this Holiday and a special "Thank you" from all of us for being part of our camp family. So, don't forget to say 'thank you' to everyone who makes a difference in your life.

Going down the Chapel trail.

Making pizza is fun.

The low ropes wall is harder than you think.

Snack time is a great time to share.
