### Camp Lake Hubert

For every Hubert girl is quite discreet  
 She's got that hundred per from head to feet  
 She's got that smile that style that winning way  
 No matter where you go you'll recognize her and you'll say  
 Now there's a girl I'd like to know  
 She's got that good old Hubert pep and go  
 And just to look at her is quite a treat, it's hard to beat  
 A Camp Lake Hubert gir-r-r-r-l!

Our climbing wall enables everyone to help each other.

Relaxing on the hammocks.

## Andrew Engen – Camp Lincoln Camper

I come back each year because the atmosphere is awesome and this will be my 4th year at Camp Lincoln! The friends you make at camp are friends forever. At camp I learned how to wind surf, sail, shoot archery & riflery, and last summer I worked on conquering my fear of heights on the ropes course with the help of the staff. At home I use my camp skills to play Ultimate Frisbee with my friends and to go Mountain Biking. My favorite camp meal is “squirty” chicken (Chicken Kiev) and “Hot Pockets” are my favorite snack. Last summer I took a canoe trip for 20 miles down the Mississippi River. This summer I am excited to see my old friends, from previous years, and to meet new friends. I am also looking forward to learning new skills, and just having FUN!

Mountain biking at its best at camp.

Can you make it to the end of the weenie?

Our climbing trip is just one of the choices you will have.

Our fun bugs and rolling balls are great water fun!

# C · A · M · P E X P E C T A T I O N S

## How will I arrive at camp?

If you are flying, your parents will see you off on the plane and then at the Minneapolis Airport, one of our staff wearing a Camp Lincoln & Camp Lake Hubert Shirt and usually holding a Camp Sign will meet you when you get off the plane. Our staff will stay with you and help you get to our chartered buses for a short trip (about 2 1/2 hours) to camp.

If you are coming by bus from the Twin Cities Area, you will board the bus at Concord School in Edina and then head up to camp (about a 2 1/2 hour drive).

Once you arrive at camp, you will meet your cabin staff, call your parents to let them know you have arrived, get settled in your cabin and meet the other campers in your cabin.

If your parents are bringing you, you will arrive between 1:00 pm and 5:00 pm. After you check in, you will meet your staff and get settled into your cabin while meeting the other campers in your cabin. You are welcome to walk around camp with your parents so they can see all the great things you will be doing.

## How do my family and friends keep in touch with me?

They can send letters or postcards. Please do not forget to bring stationery and postcards of your own to write to them, too. Your parents can also fax or email you and you will receive all of their correspondence to you via the mail each day, except Sunday, while at camp. Please tell everyone to address all mail to: Your name, c/o Camp Lincoln or Camp Lake Hubert, PO Box 1308, Lake Hubert, MN 56459.

Please remember that we encourage mail but discourage packages. Your parents have a reference booklet that outlines all of this, so check with them if you have any questions. Should you forget any items on our suggested list, your parents are always welcome to send them to you.

## Anthony McGuinness – Camp Lincoln Staff

Anthony is returning for his 6th year on staff because of the rewarding opportunity that comes from being a counselor, mentor and friend to our campers, and making a difference in their lives. Just like the campers he has worked with, he too has grown and developed his own skills. Anthony has gained valuable experience in public speaking (originally he was too scared to speak in public) as well as fire building, sailing, and loon jumping to mention a few. One of his best memories occurred a couple years back when he shared in their excitement and accomplishment as The Gopher Cabin campers learned the Camp Lincoln Creed, and then recited it in front of the whole division! At home in England, he works for an organization to help other International Staff get jobs in American camps each summer. He looks forward to seeing not only the returning campers, but the new campers as well. He also hopes to grill some delicious hamburgers during the Prep Camp cookouts.

# 2008 What's new to look for at Camp Lincoln

- 1 An expanded and advanced Disc Golf Course. Where will the new targets be located?
- 2 More than 20 Mountain Bikes including some of even a smaller size, so now all campers will have the right bike size for riding.
- 3 Last year our athletic field was green all summer thanks to the addition of a sprinkling system. Watch for the new sprinklers now covering the entire field for 2008.
- 4 Intermediate Camp will have a new basketball backstop.
- 5 Soccer will have more practice goals so campers working on improving their skills will have more facility than ever.
- 6 All the sports areas will have expanded equipment so our sports program and the areas you like the best will be even more available.
- 7 Archery now has all of the old backstops replaced with new ones like the ones we had last summer. It looks great and will help facilitate skill development even more.
- 8 The Fred, Chuck and Brownie Awards and Wall of Honor for four week campers will be up in the Intermediate Dining and recognizes one camper who exhibits the best in Sportsmanship, one camper who best exemplifies living the Camp Lincoln Creed and a third person each session who walks the talk of exemplifying our camp values.
- 9 The new campfire area in Prep Camp now has been completed and outlined with a great new fence so we can have even more fun when we get together for singing, sharing, stories and being together at campfires.
- 10 The low ropes course has two new events for even more fun and learning this summer.
- 11 Apache Cabin has been remodeled with a new bathroom area, new roof and a fresh coat of paint all around.
- 12 Our two new tetherball courts in Intermediate Camp have been repaired and are ready for play.
- 13 All the dining room floors were sanded and recoated with a shiny new finish for a great look.

The junior campfire area has a new fence to add to the beauty of this new area.

A new MC16 arrives to add to our fleet.

## Dakota Curran – Camp Lake Hubert Camper

I come back each year just to be with friends, having a good time and laughing about the stupidest things. I am very proud that I received my Core Value award for Quality Relationships at camp in 2007. Trap shooting, riflery, friendship bracelets, and gymnastics are some of my favorite activities. One of my favorite camp memories was at the climbing wall. I was halfway to the top and wanted to come down, but I faced my fears and made it to the top. Then last year I even went on the climbing trip and it was awesome! My favorite camp meal is chicken patties and my favorite snack is anything cold, especially twin pops or fudge-pops. My favorite division activity is red nose blue nose. Each summer I look forward to making new friends, campfires and camp songs.

# C · A · M · P EXPECTATIONS

## Who will be in my cabin?

You will be with campers who have just completed about the same grade as you have and who come from areas all over this country or the world, so you can start to make a group of new friends right away.

There are also 4 or 5 of our great staff who live right in the cabin with you and they are there to make sure you feel safe and to help you have a really fun and great time while at camp.

Campers attending for four weeks will be in different cabins from campers coming for two weeks.

## How do I choose my activities?

Once you get to camp, your staff will help you choose and sign up for activities (up to 4 each day) which are repeated for three days in a row. Then, you will have another chance to sign up for the same activities or a whole new set of activities for the next three days. It is a great system that allows you to try things and then change your mind after three days. This way, you will be able to add lots of variety to your time at camp. Think about what you might want to sign up for on the first day.

## ONE PERSON can make all the difference in the world.

Help us save nature's resources at camp:

- Turn off lights when leaving the cabin.
- Turn off water while brushing your teeth.
- Take shorter showers.
- Tell your staff about noisy, leaky faucets, showers and toilets
- Turn in extra supplies so they can be reissued.
- Help us with recycling in the dining room and other areas.
- What are some other areas you have thought about?

## Kevyn Stokes – Camp Lake Hubert Staff

Kevyn was a camper for 3 years and will be back for her 2nd year on staff. She remembers final campfires and realizing how much you've come to care about each other. Her favorite song is "The Banana Song" because she likes to be able to say "GO BANANAS". One of her favorite memories, as a camper, was having a dance party during caper time and how much fun it was to be with her cabin mates. At school she continues to live all the important values of camp and is involved in an organization in Spokane, WA, that works to provide positive role models and a safe and encouraging place for kids to grow up (just like camp). Her favorite three meals are chicken nuggets and tater tots, taco bar and chicken patties. She is excited about being active in Mountain Biking and Sailing again this coming summer. Kevyn looks forward to reuniting with everyone, new and former campers and staff and having another great summer of challenges at Camp Lake Hubert in 2008.
