Camp Lincoln and Camp Lake Hubert are committed to character building through five key Core Values...values that have been a part of our tradition since 1909. These Core Values are an important part of everything we do, and are central to "inTENTional" camping. You can see our values in action, as our campers:

Build a strong **community** through the give-and-take experiences of living together;

Strive for **excellence** through challenges and achievements in activities and programs;

Enhance and gain a sense of **personal growth and development** that comes with new-found independence and developed through the encouragement of caring young adults;

Establish many quality and lasting **relationships** that are made as the cabins work and play together;

And, certainly have a lot of **fun** in a setting that creates joy and laughter with each new day.

a new century

**KYLE ANTHONY – STAFF 2010
HEAD COUNSELOR
BARRYVILLE, NY**

Camp Lincoln, simply put, is an awesome experience. Camp's magical atmosphere makes campers encourage each other, push each other to do better every day, and most importantly, to have fun! Although Camp challenges campers daily, the rewards of overcoming those challenges are worth the investment. Campers gain self-confidence in their abilities with each milestone they surpass. Moreover, campers develop really strong bonds of friendship with their cabin mates that last a lifetime. Not only does Camp teach campers how to win humbly, but it also teaches campers how to accept defeat without spite. In watching the campers develop and grow, I realized how much of a difference a positive atmosphere affects campers. They change noticeably over a short period, and it's great to watch. Leaving Camp becomes extremely difficult because you have invested so much time and energy into it that the minute you return home, you miss everything about it.

A NEW CENTURY BEGINS

Summer 2010: our 101st Season, the start of a new century in camping. Thank you for joining us! Our campers came from 41 states and 10 international countries, and did you know that our staff came from 30 states and 15 international countries? When we talk about our core value of **building community**, one of the benefits is to do so with campers and staff from around the world. We also hope that you made many **quality relationships** while at camp and that you are keeping in touch with some of your friends through the year. Remember, you can always send a letter to a camp friend via the camp address, and we will forward it on. As you read through this Fall Railsplitter, we hope that it will rekindle some of the **fun** times that you had at camp and that it will provide an opportunity to again reflect on the **personal growth and development** that you experienced in the process. As we head into this new century, we believe that our mission and its focus on values will be the best guide for assuring quality and **excellence** in camping for the generations to come.

We think you will enjoy reading about some of the plans for next summer, and we hope that you will be joining us. Is your name on the roster yet? We hope so. Did you notice that for 2011 we are introducing a new 5-day Intro Camp for K-3rd Graders and a new Three Week option? Check it out, and if you know someone who might be interested, keep us posted, so that we can send them some more information.

NEW

3 WEEK CAMP

Three weeks returns to Camp Lincoln and Camp Lake Hubert! This session, starting in late June, is designed for those campers that want more than the two week sessions, but are not quite ready, or do not have the time, for the four week session. Three week campers can participate in the full range of activities, special days, and adventure trips offered, just like the four week campers, only limited by the shorter length of time. This session is open to 2nd to 8th grade boys, and 4th to 7th grade girls.

NEW

5 DAY INTRO CAMP

Parents and campers alike have been asking for a camp session for their younger children/siblings, or for those a bit hesitant to commit to a two week session. We have heard you! Starting in 2011, Camp Lincoln and Camp Lake Hubert will be offering an Introductory Camp Experience for Kindergarten through 3rd Grade Campers. This 4 night/5 day session, called Intro Camp, allows the younger or more hesitant camper to experience the best camp has to offer in a much shorter time frame. Campers will go to activities by age group and eat together by cabin while also experiencing a taste of some of our long-standing camp traditions.

GOLF CAMP

Hello Golfers! 2011 will be the 20th Anniversary for our Golf Camps, and next summer we are excited to offer two Golf Camps, one in June and one in August. These are concentrated golf camps for all skill levels, with the mornings spent on Grand View Lodge's excellent teaching facility which includes a large full-swing area, chipping green, practice bunker and huge putting area, plus video swing analysis. In the afternoon, campers and coaches head to one of three challenging courses to practice the skills learned. Ryder Cup here you come! Golf and camp fun – hard to beat! Check out our website.

TENNIS CAMP

It was another successful year at the Lake Hubert Tennis Camps. We were blessed with perfect tennis weather and an amazing group of campers and staff who were all integral members of the memorable two weeks. A healthy mix of beginning through advanced tennis players allowed for the tennis staff to offer diverse lesson plans that were specifically designed for each skill group. Beyond working on tennis, campers were also given the opportunity to experience more traditional camp activities such as horseback riding, riflery, archery, and the Bog among others. Overall it was a great 2 weeks at Tennis Camp!

Singing traditional camp songs at campfires is great.

Campers learning how to tie a figure 8 knot at the Climbing Wall.

The Water Mat is a great place to hang out on a warm summer day.

FAMILY CAMP

This year's Family Camp was a terrific mixture of new and returning families. Days were filled with fun camp activities and at night special events like Campfires, Bingo, a County Fair, BBQ and Skit Night as well as the traditional "mellow time" which ends each day, kept families entertained in the evenings.

Great pottery projects were sculpted, the sunrise paintings were as beautiful as ever and the early Polar Bear Plunge was very well attended each morning. Of course, no Family Camp would be complete without the ever-popular Snow Tumbler Museum and the daily coin hunt for "Looney's."

All of this, along with new skills and a deeper appreciation and connection for each family made 2010 a banner year for our Family Camp Program. We hope you will encourage your family to join us for our 2011 Family Camp!

No better way to spend your camp days than with the wind in your sails.

Kate O'Sullivan on the left.

Because of camp, I was directed down the road of achievements that I am on now. I was given positive feedback for everything I did. The people at camp are some of the most important people in my life. I cherish those friendships more than anything. Because of camp, I am more positive and genuinely happier. I have become friends with campers and staff alike from not only around the country, but around the entire world. I have realized that holding onto things that do not make you happy just is not worth it. There is not enough time in your life for negativity. I know there is a place in this world where you will be loved and accepted for all your talents as well as your imperfections. I had a smile on my face for an entire summer. Never did I think I could get so much out of one place, but all the forward progress that took place this summer, was without a doubt, because of camp.

2010 CAMP LINCOLN LEADERSHIP TRAINING PROGRAM

Congratulations and THANKS to the 24 young men
that successfully completed Lincoln's Level 1 and
Level 2 Leadership Training Programs this past
summer. Although your LT Group was one of our
largest in Camp's 101 year history, you each managed
to individually impact the success of our summer. Led
by Patrick Dodd, Ferris Meuli, Brad Stewart and André
Brewer, you became positive examples for campers
and staff alike, which was not always easy to do given
your numerous responsibilities and requirements. We
appreciated your enthusiasm and your determination
to work hard to give back to the place that had done so
much for you over the years. Each of you made a
major difference in the lives of the campers and staff
this summer and are hopefully utilizing the leadership
skills you gained this summer as a LT in your home
communities. THANK YOU and best of luck in all
future endeavors!
