Camp Lincoln and Camp Lake Hubert are committed to character building through our five key Core Values... values that have been a part of our tradition since 1909. These Core Values are an important part of everything we do, and are central to "intentional" camping. You can see our values in action, as our campers:

Build a strong **community** through the give-and-take experiences of living together;

Strive for **excellence** through challenges and achievements in activities and programs;

Enhance and gain a sense of **personal growth and development** that comes with new-found independence and developed through the encouragement of caring young adults;

Establish many quality and lasting **relationships** that are made as the cabins work and play together;

And, certainly have a lot of **fun** in a setting that creates joy and laughter with each new day.

- The Swan, our double-decker pontoon boat that took its maiden voyage on July 3rd, 2009, will be available for pontoon picnics and evening "Swan Jumping", so get ready for some high level fun!
- Guitar is back! So if you are just beginning or have a few chords under your belt, we will teach you great techniques on our new acoustic guitars.
- Crew is back for a second year, with hopes of a 2nd boat to add to the fleet.
- In addition to the 3 day trips, Senior Camp will now have an opportunity each session to enjoy a more elaborate and longer canoeing trip!
- As if stilts, hammocks and stacking cups were not enough, now you will see hula-hoops around camp, too!
- Test out your creative reporting and writing skills, or just find out what's going on at Camp Lake Hubert with our new creative writing activity that will craft a camp newsletter several times throughout the summer.
- With the help of the 2009 LTs, a new and improved Camp Lake Hubert Creed was created. It will be a great compliment to the Achievement Club.
- The Achievement Club Awards! These awards are a combination of several program areas and activity achievements. Those that attain these varied skill awards will earn a unique keepsake to show their accomplishment.
- Excited about the Climbing Wall? New overhangs have been added to test your abilities in a new way this summer! Choose your path to make your own challenge!
- Special Days will have a new twist this year to allow for varied interest across camp. We think you will enjoy all the fun events planned for you this summer. Check out the list of Special Days for your session on page 2!

## CAMP LINCOLN

Last year, during our Centennial Season, Camp Lincoln added many new programs and we excited to continue and expand them even more!

- Guitar is getting more guitars, music and recording devices.
- The RADIO/PODCAST Activity will be increasing production in summer 2010.
- The CLOUT Archery Activity (added during Session II) will be brought back for special Archery outings in 2010.
- Mountain Biking's PUMPTRACK is being re-packed and prepared for another summer of use and abuse. Hopefully with a year of practice under our belts, we will be able to make it around the track without peddling at all!
- Crafts is looking forward to expanding its offerings.
- The Water Mat will be returning this summer and there may be other new toys at the waterfront as well.

### What's Brand New?

- The Climbing Wall is getting fitted with two OVERHANGS. The overhangs have varying degrees of difficulty, allowing climbers to choose just how much they want to test their strength and ability.
- A brand new 3D/FIELD ARCHERY Path is being installed between the Dewar Range and the Barn. Intermediate and Advanced Archers will be able to test their shooting skills at 5 different stations along a winding path through the woods. Each station will offer its own terrain-, obstacle- and target-challenges as campers attempt to hit as many targets as they can.

Camp continues to improve and add new activities each summer. We are excited to have you joining us for all the fun we are planning for 2010!
