

## Our 103rd Year!

Now in our 103rd Year of providing quality camp experiences...

The American Camp Association's (ACA) Tagline, "Camp gives kids a world of good", was initiated in the early 2000's, as a prelude to some important research that was being done to confirm this message. A few years ago, Camp Lincoln and Camp Lake Hubert Campers were asked to help in this research by completing a fairly extensive evaluation of their own camp experience. The ACA used three years of research to then present the statistical data that helped verify the benefits of a good camp experience.

Of course, Camp Lincoln and Camp Lake Hubert Campers, Alumni and Staff have long known that Camp does give kids a world of good. The research and compiled data, however, helped the camp industry to confirm among educators, legislators and youth professionals that the camp

experience should be recognized as an important and valued contributor to youth development.

We hope that you will spread the message about camp to your friends, and encourage them to include a camp experience as a part of their growing up years. The life-skills learned, the friendships made, and the opportunity for personal growth and development is part of what we (and you) call the Lincoln-Hubert CEFPPQ Experience.

As you read through this Fall Railsplitter, we hope that your memories of Camp will encourage you to return to the shores of Lake Hubert and to share the message of camp and CEFPPQ with others.

Please join us at one of the upcoming Reunions and Movie Showings when we come your way. The 2011 Camp Movies are Emmy Award Quality! Check our website further for dates.

**A very Happy Thanksgiving to you and your family!**

## Welcome to Camp, Will!

**Will Dunmire** has joined the Camp Lincoln & Camp Lake Hubert Team. Will is the Staffing Coordinator for both Camp Lincoln & Camp Lake Hubert. He comes to us from Camp America, a cultural exchange program that helped find a number of the staff we had at camp last year, so you know he is good! Before that, Will worked his way up from a Counselor to an Assistant Director Role at his camp in Michigan.

You can learn more about Will, including his favorite camp foods and activities, on the camp website. Go to [www.lincoln-lakehubert.com](http://www.lincoln-lakehubert.com) and click on the "About" Tab, then "Meet the Directors". Click his photo for a chance to WIN a Camp Towel!

### FIRST FULL DAY OF CAMP...

**Morning—excited! Middle of the day—hungry! Evening—AWESOME...tired!**

*Hi, I am Emily and I am going to say a few (actually a lot more than a few) words about my first year at Camp Lake Hubert. When I first got to CLH, I was nervous. As I entered my cabin, I was greeted by a counselor who coincidentally turned out to be my favorite counselor by the end of first session. Immediately, I was introduced to my chalet and a future friend. That night, I felt as if I was at home in bed...reading.*

*The next day, I woke up, got dressed, went outside with my cabin and went to Flag-Raising. We said the Pledge of Allegiance and sang a flag song. Next, we said grace and ate breakfast. After that, I went to two of my four activities that I had chosen the night before. At noon, everybody had lunch. After lunch, I went to my two remaining activities. Next, we had a short break and headed off to dinner. Before we ate though, we said grace. Later, my cabin and I had vespers and then went to bed. This was my first day of camp. BEST DAY EVER!!!*

## CAMP LINCOLN – THE PLACE FOR ME

For the last six years, I have gone to camp and will be returning next summer, too. When I return from camp each summer, I tell my Mom the exact same thing, "Please sign me up for Camp Lincoln next year!" Camp is truly a special place where I feel the most at home. The friends you make at camp are like nothing else in the world. I keep in touch with everyone from camp on a daily basis and I still consider them my best friends, even though I only see them during the summer for four weeks. I continue to come back to camp because of the focus on the core values, especially quality relationships. This year, I had seven different nationalities represented by the campers and staff in my cabin and this diversity added to my overall camp experience. Our cabin was so close and we knew each other so well that we did not feel like we were together for a month, but for our whole lives. I have only been back at home now for two months and I already miss Camp Lincoln more than anything. I cannot wait to return in 2012.

Robbie F. – Connecticut, 6th Year Camper

## Specialty Camps

### Tennis Camp

August 2011 - Two great weeks of Tennis Camp, with perfect weather and a super group of campers, coaches and counselors. Congratulations to Kody Ruedisili and

Scott Miller for receiving the Bud Schmid Award for their respective camps. We trust that you are working on your game and honing up on those skills learned at camp. Next summer, Todd and the coaching staff look forward to seeing you back on the courts at the Lake Hubert Tennis Camps, so be sure to sign up soon!

### Family Camp

**A Few Words from Bill Jones – Mr. Family Camp Extraordinaire!** From the BBQ to the County Fair to Mellow Time to Skit Night to Campfires to the Daily Activities of Riding, Sailing, Paddle Boarding, Archery, Riflery, Fishing, Canoeing, Crafts and everything in between, this year's Family Camp Campers and Staff formed a community of sharing that went beyond our wildest dreams. No matter what we did, the enthusiasm and sharing trumped everything else. Our values and family mission for this program came together for one of our best Family Camp Weeks ever. Do join us in 2012!

### Golf Camp

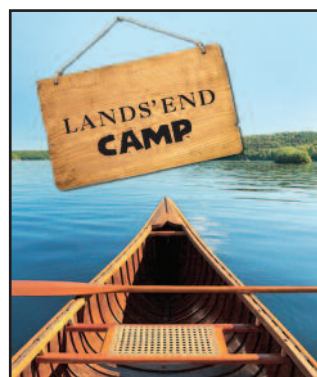

Director, Steve Stoxen, and the coaches gave high marks and comments about our golfers this summer, so thanks for joining us and for your hard work. Keep practicing and playing, using the tips and skills learned at camp. Two sessions again next season, one in June and one in August, and we hope to see you back with us at The Pines. Let us know how your game is coming along, OK?

## Reflection on Intro and Three Week Camp

As you may know, Camp is an adventure! Our Intro and 3 Week Campers could not have agreed more. Every day was filled with action packed adventures! Intro Campers sampled camp life in 5 days and were left wanting more. Parents described this time as "a great first camp experience". The 3-Week Campers found themselves with opportunities to experience MORE of everything. They had more time to try new activities, to do the activities they loved, to go on a trip, to work on awards, and just more time to develop quality relationships.

These two new session offerings were a huge success. We want to give a round of applause to all of the campers, parents and staff for contributing to their success. Thank you all around and we look forward to Summer 2012!

## 2012 Changes in Progress

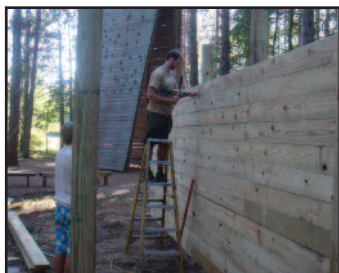

Every camper cabin now has a bathroom with hot water supply. Over the past few years, we have been installing **water heaters** and have now finished this update project.

A new **Bouldering Wall** is under construction so watch for additional pictures as we install the over hangs and create challenging new climbing routes.

Phase One of the wall will be ready for 2012 and includes 78 feet of wall space, which is 10 feet high, one 8 foot long overhang, one 4 foot overhang, a chimney, one internal corner overhang and one external corner. There a new brightly colored hand holds for multiple routes.

In an ongoing effort to keep camp looking good from the outside, several buildings have been scraped and repainted including Kingfisher, Eagles, Senior 1, Senior 2, and Chippewa Cabins at Camp Lincoln along with the Archery Shed and CR; and at Camp Lake Hubert, the Junior Lodge, Halyard Haven and Bass Crafts. In addition, floors have been sanded and repainted in Senior Lodge, the Health Center, Badger, Beaver and Mohawk at Camp Lincoln and Chipmunks, Fireflies and the Leadership Training Cabin at Camp Lake Hubert.

Both **Craft Shops** at Camp Lincoln are being reworked to provide more usable space.

Watch for more pictures in upcoming Railsplitters for additional projects and updates.

## Quote...

*Amazing, challenging, exciting, overwhelming, emotional, fantastic, awesome, hard-work, rewarding! Just a few words to describe the roller coaster journey that Camp Lake Hubert and Camp Lincoln took me on this summer. Along with memories to last me until I have my own children to send to camp, I met the most fantastic people who I want to be involved in my life forever.*

*Camp allowed me to become a more confident individual; and I love sharing the experiences I had this summer with potential future staff members I work with daily. Watching my LTs grow every single day, supporting them when they faced challenges, and laughing with them about absolutely nothing was the best thing I could ever have asked for.*

**Katie Cunliffe – 1st Year Staff Member, LT Head Counselor and Camp Leaders Team Member, United Kingdom**

## CAMP LINCOLN IS SO UNIQUE.

It is a small community where everyone interacts with everyone else every day. This creates an environment where people learn how to be a good friend, how to help others, and even how to be a role model. At Lincoln, it is all about the community, just like in the real world. However, the Lincoln Environment advocates praising others for their achievements and recognizing the best qualities in every person. What if the entire world was a community that operated in the same manner as Camp Lincoln did? We can only hope this happens one day. The Lincoln Community is where I want to be every day.

Pat McGrath – 1st Year Staff Member and Former Camper, Louisville, CO

## New Activity Choices Abound

Have you ever thought about how many activities you can really try at camp? There are over 30 different choices on any given day. Then just when you thought you have

tried them all, we add new ones! On the list of new favorites at CLH, the Hubert Marathon, the Hubert Achievement Club, the Triathlon, Frisbee Golf, Pom-Pom Crafts and the most popular – Paddle Boarding!

All activities were enjoyed by many and will remain in the line- up for future summers. At Camp Lincoln, the Crafts Area exploded with creativity as the boys' participated in Decoupage, Pop-Top Bracelets and Batik. Drama, Podcasts, Day

Bike Trips, and a revamped Nature and Ecology Program left campers with some tough choices when signing up for activities as they wanted to do them all.

## Quote...

Simply put, Camp Lincoln for Boys has changed my life. This past summer was my tenth summer at Camp Lincoln, and while the beautiful location stays the same; the incredible people, unique activities and life lessons to be learned change year after year. When I was nine years old, I fell in love with experiencing Camp's Five Core Values. These values have led me to build strong communities, strive for excellence, create fun experiences, push myself to grow mentally, physically and socially, and to make strong personal connections at Camp and everywhere else life takes me.

**Matt Spence, Minnesota  
Division Director 2011**

## HORSIN' AROUND

Every summer, the horses at Camp Lake Hubert travel a long way back home to spend their Winter at Tanque Verde Ranch in Tucson, AZ. We wanted to let all of you know that Smokey, Pirate, Judge, Mouse and Joker all made it home safely and are enjoying the hot weather down there. Although their favorite place to be will always be at Camp Lake Hubert!

We miss camp!

## A DREAM COME TRUE!

*Going to Camp Lake Hubert every summer has been a dream come true, well at least for me. I have been going to camp for 7 years. There are many reasons I keep coming back. The activities are one of the main reasons, like archery, guitar, all crafts, and kayaking. There are many more I like, but these are my all-time favorites. Another reason I love coming back to camp is all the new friends I meet and all the old friends I have kept in touch throughout the year. I also went on a trip last summer, Sea-Kayaking, and that was amazing. We went to Wisconsin and kayaked on Lake Superior. I faced some fears on the trip, but I would definitely do it again. One of my fondest memories was last summer on Camper Arrival Night, during dinner; some friends and I broke into song. "Just like old times," we all said. Every time camp ends, I always start to count down the days until I can return to the shores of Lake Hubert for another amazing summer.*

## 2011 Camp Lake Hubert LTs!

It was an exciting summer thanks to all these wonderful LTs! Their enthusiasm and organizational skills were an integral part in making Summer 2011 so much fun! They worked hard on new additions to the program such as Big Sis/Little Sis Letters, the Hubert Marathon and Triathlon, and the fabulous Murrur Project Video in addition to the traditions we have grown to love over the years. We owe many thanks to the 2011 LTs and cannot wait to see them back soon on the shores of Lake Hubert!

ADDRESS SERVICE REQUESTED

Camp Lincoln and Camp Lake Hubert are committed to character building through five key Core Values...values that have been a part of our tradition since 1909. These Core Values are an important part of everything we do, and are central to "inTENTional" camping. You can see our values in action, as our campers:

Build a strong **community** through the give-and-take experiences of living together;

Strive for **excellence** through challenges and achievements in activities and programs;

Enhance and gain a sense of **personal growth and development** that comes with new-found independence and developed through the encouragement of caring young adults;

Establish many quality and lasting **relationships** that are made as the cabins work and play together;

And, certainly have a lot of **fun** in a setting that creates joy and laughter with each new day.
