Camp Lincoln and Camp Lake Hubert are committed to character building through our five key Core Values... values that have been a part of our tradition since 1909. These Core Values are an important part of everything we do, and are central to "intentional" camping. You can see our values in action, as our campers:

Build a strong **community** through the give-and-take experiences of living together;

Strive for **excellence** through challenges and achievements in activities and programs;

Enhance and gain a sense of **personal growth and development** that comes with new-found independence and developed through the encouragement of caring young adults;

Establish many quality and lasting **relationships** that are made as the cabins work and play together;

And, certainly have a lot of **fun** in a setting that creates joy and laughter with each new day.

WELCOME TO SUMMER 2011...

We are thrilled that you will be joining us this summer! Whether you are coming for one of our Traditional Sessions, Coed Camp, Golf Camp, Tennis Camp or Family Camp...we look forward to seeing you! We hope you are excited, too! Did you know that some staff will arrive in mid May to help with all the fun tasks in getting camp ready for the season? There are docks and boats to go in, tons of leaves to rake, buildings to clean and paint, activity areas to set up, horses to ride and feed – so much to be done indeed. Yet it all comes together and then the FUN begins when you, our campers, arrive.

Are you included on the enclosed roster? We hope so. While space is tight in some sessions, there is still time to have the “best summer ever”! Just let us know or go online and check out all the options. Have you noticed our new Intro and Three Week Sessions this year? Also, by encouraging a friend to consider camp, you become a member of our Booster Club.

Your 2011 Spring Railsplitter highlights many of this summer’s special days and coming events, so check out all the news and get acquainted with some of our super staff and amazing programs that await you at Camp Lincoln and Camp Lake Hubert. And for sure, come ready to have fun, meet lots of friends and experience the best of camp. In the process, you will hear a lot about our important Core Values, as they help set the stage for a successful camp experience for everyone. To help remember them, we use the acronym CEF-PQ, which stands for Community, Excellence, Fun, Personal Growth and Development, and Quality Relationships. That makes it easy!

See you soon, and please email or call if you have any questions about camp.

Nothing is better at a campfire than being surrounded by camp friends.

SPECIALTY CAMPS

GOLF CAMP

Are you ready to hit the tee box? We sure hope so! Steve Stoxen and his coaching staff cannot wait. With two sessions, one in June and one in August, these camps provide an excellent opportunity for developing and improving your game. Instruction is at Grand View Lodge's outstanding teaching facility, and play is on The Pines, Preserve or Garden Courses – top rated courses in the Midwest.

TENNIS CAMP

Our 38th year for Tennis Camp, with two sessions: August 11-16 and 16-21. Are you included? Remember, we take about 18 boys and 18 girls, so space is limited. Along with solid, on-court tennis, there is lots of camp fun at the bog, sailing, riding, archery, creative crafts, etc. A great combination! Todd, Eric and the coaching staff are tops!

FAMILY CAMP

It is fun for the whole family! Imagine your Grandma running the Weenie, or your Mom at the Bog or maybe Dad would look good with a shaving cream hairdo! Consider bringing the whole family to camp for a weeklong session in August and try out all of the regular fun camp activities together. Some activities and events are unique to Family Camp including the County Fair, our famous BBQ Rib Night, Bingo Night and Family Skits.

Dont forget to pack your costumes for Special Days!

Canival Day is always a big hit!

Getting into Color Wars spirit.

Having the best time at the Western Rally Day Dance.

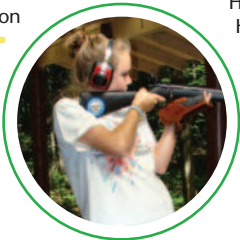

Which Color will be triumphant this summer.

CAMP LAKE HUBERT MYSTERY STAFF MEMBER

- 1) How many years have you been with Camp Lincoln and Camp Lake Hubert? *This will be my 4th summer.*
- 2) What is your favorite camp activity? *A tie between kayaking and cool camp cooking!*
- 3) What is your favorite meal at camp? *Arrival Day lasagna, but normal camp days my favorite is definitely nugs and tots!*
- 4) What is your funniest memory of camp? *When I was canoeing on Bass Lake during an activity with some campers and our canoe tipped in the middle of the pouring rain. We tipped where it was all covered in weeds and we smelled like dead fish. But all we could do was laugh and get back in the canoe and keep going, rain and all, it was quite a fun day!*
- 5) What is your favorite camp song? *My favorite camp song with words is Canadian Wilderness, without words is the Rain Song!*
- 6) How many miles do you travel to come to camp? *From school about 1300 miles, from home about 160 miles.*
- 7) Why are you working at Camp Lake Hubert this summer? *I love what camp can do for kids and staff alike. The ability to gain life long friends, while enjoying the outdoors of Minnesota is something that can never be experienced anywhere else but camp. I love seeing campers return year after year and watch them grow and develop into the wonderful young people that they are. I also love seeing new faces around camp and see them make camp a place they too can call home. Camp has a special place in my heart and I can't wait to experience that camp magic yet again this summer!*

HOW WILL I ARRIVE AT CAMP?

If you are flying, your parents will see you off on the plane and then at the Minneapolis Airport, one of our staff wearing a Camp Lincoln & Camp Lake Hubert Shirt and usually holding a Camp Sign will meet you when you get off the plane. Our staff will stay with you and help you get to our chartered buses for a short trip (about 2 1/2 hours) to Camp.

If you are coming by bus from the Twin Cities Area, you will board the bus at Concord School in Edina and then head up to Camp (about a 2 hour drive). Once you arrive you will: Meet your cabin staff, call your parents, settle in and meet the other campers in your cabin

If your parents are bringing you, you will arrive between 1 p.m. and 5 p.m. After check in, you will meet your staff, settle into your cabin and meet your cabin mates. Please feel free to walk around Camp with your parents, so they can see all of the great things you will be doing!

HOW DO MY FAMILY AND FRIENDS KEEP IN TOUCH WITH ME?

They can send letters or postcards. Also, please do not forget to bring stationary, postcards and stamps of your own to write to them, too. Please have friends and family mail letters or postcards to:

Your Name
c/o Camp Lincoln or Camp Lake Hubert
P.O. Box 1308
Lake Hubert, MN 56459

Your parents may also fax or email you every day, and mail is delivered daily, except on Sundays (please see email procedures in the Parent Packet). Please remember that we encourage mail, but discourage packages.

WHO WILL BE IN MY CABIN?

You will be with campers who have just completed about the same grade as you have and who come from areas all over this country or the world, so you can start to make a group of new friends right away.

There are also four or five of our great staff who live right in the cabin with you and they are there to make sure you feel safe and to help you have a really fun and great time while at camp.

Campers attending for four weeks will be in different cabins than campers coming for two weeks. Tennis and Golf Campers have their own cabins, too!

HOW DO I CHOOSE MY ACTIVITIES?

Once you get to camp, your staff will help you choose and sign up for activities (up to four each day), which are repeated for three days in a row. Then, you will have another chance to sign up for the same activities or a whole new set of activities for the next three days. It is a great system that allows you to learn new things and then continue or try something else for the next three days. Start thinking now about what you might want to sign up for on the first day...Summer will be here before we know it!
