Camp Lincoln Special Days & Camp Lake Hubert Special Days

In addition to our daily activity program, weekly "Special Days" add excitement, festivities and variety to camp life. Special Days are another tradition at both camps that campers, staff members and directors look forward to every summer. These days give all at camp the opportunity to participate and celebrate in a unique themed day during their time at Lincoln and Hubert. Check out the session line-up below and please remember to bring costumes and props that will help you get into the Special Day Spirit!

Everything But... The Kitchen Sink

June 18 • July 17

Lincolniters, please do not let the title fool ya! You will not be demolishing the dining hall, the Trips Shed or the Wet Crafts Shed to leave only the sink there exposed. However, you will get to take part in a NEW, friendly, spirited event that promises to have something for every camper, young and old. As a hint, I would suggest that you start learning to recite the alphabet in reverse and timing your cup stacking abilities. Doing these things will help you in your quest to win the soon to be coveted Kitchen Sink Award.

Color Wars Part 1

June 25 • July 24

For the last two years, this new twist to a camp oldie, but goodie has set the tone for what campers and staff members have come to view as one their favorite events at Camp Lincoln. Color Wars Part 1 will again challenge both the Red and Blue Teams to each bring their "A" Game in order to

gain the lead for Color Wars Part 2. However, with a new year, brings some new events. Come ready to help lead your team to victory.

Color Wars Part 2

New year, new team members and new events, but the same rich tradition! Red versus Blue may be the best team win this year's battle.

The Game of Life

July 2

During your normal everyday routine, you are required to make many decisions. Some of these decisions impact your "LIFE" in different ways. This NEW Special Day puts a twist on the popular board game. One goal is that by the end of the day, you will find your own particular brand of happiness and success. Will you buy a car? Where will you attend college? What investments will you make? All of these "Life" Decisions will come at you during a day that will keep you on your toes and give you some insight into the real world.

Hollywood on Hubert

July 31

Camp Lincoln goes to Hollywood during this NEW themed day, which will ask each camper to get in touch with their creative side! Lincoln will be transformed into a huge movie set where our campers will be challenged to become actors worthy of receiving an Oscar. Expect the "Red Carpet" to be rolled out for you throughout the event for all to enjoy.

CAMP-opoly

June 18 • July 17

Get your game on! We have every game you can imagine planned for this Special Day. From board games to app games, it will be a gamer's paradise! Embark on an adventure that may include a cruise, skiing in the Alps, or dining at a Hawaiian Luau! This trip is guaranteed fun. Your destination awaits! Come dressed to travel to the destination of your dreams!

Games of the Olympiad

July 2 • July 31

In celebration of the Olympics we will be honoring the history of the Olympics, participating in exciting world games and learning about different countries and cultures.

Golf Camp

Grand View Lodge and The Pines are opening early this season, and our first Golf Camp will hit the teaching range and courses on June 21-27. The second camp is August 11-16. Both are great options for improving your game. Director Steve Stoxen will head up the coaching staff this year, his 21st year as Director and Coach. Start thinking golf and make sure that you join one of these unique Golf Camps. They are unique because they combine top golf instruction with lots of camp fun.

Family Camp

Imagine, five days of family fun together at camp! Yes, Family Camp 2012 happens from August 11-16, and past participants continue to boast that "Family Camp is the best family vacation and experience ever." It's for all ages, from little ones to older ones, and don't forget... grandparents are great campers, too. Family Camp is a great way to introduce the camp experience to Future Camp Lincoln and Camp Lake Hubert Campers.

Coed Camp

Yes, what a great way to wind up a summer. Coed Camp runs from August 11-21, takes place at Camp Lincoln, and is ten days of fun, friendship, exciting activities and new experiences. It is for campers currently in 2nd through 8th Grade, with our 8th Graders participating in a valued leadership opportunity as well. With so many activities and so much fun, many Coed Campers wish Coed Camp would last a month or even the whole year. Join us and see why!

Sibling Lunches Rock!

Now in its third year, our Sibling Luncheons have proven to be very popular as they provide an unique opportunity for brother and sister campers of Camp Lincoln and Camp Lake Hubert to see each other for a fun social event. Campers will spend a few hours enjoying introductions, catching up on each other's news and having some time to play games. Campers will enjoy a picnic lunch lasting throughout our regular lunchtime and rest-hour.

Rally Day Dance Themes

Get Yo Neon – REMIXED! • June 29th

We know, we know this was the Rally Day Dance Theme from 2nd Session in 2011. Whatever! The title may sound familiar, but this dance will be one for the 1st Session History Books. Ladies and Gents...it is time to dawn your best "Party Rocker" Threads while also remembering to wear as much neon clothing as you own or can borrow from Mom and Dad. One bit of advice, the more bolder and brighter the colors, the better. By doing so, you will definitely be "In the House Tonight!" We wanna see you glow as you break it down on the dining room flo. Holla!

The Lincoln-Hubert Drive In • July 28 *Opening this summer for One Night Only!*

You will have a "Swingin' Good Time!" at this 50's Dance Party. Please come dressed in cardigans, poodle skirts and leather jackets.

2012 Camp LTs!

The Leadership Training Programs at Lincoln and Hubert are two-year programs that teach very important life skills such as being of service to others, effective communication, emphatic decision-making, initiative-taking, organization, planning, problem solving, role-modeling, taking responsibility and time management. Once our campers have completed this program, they have gone on to some of the best universities in the U.S. as well as abroad.
