# Welcome 2016 Campers

Spring came early to Lake Hubert this year, which means our excitement for the coming summer is peaking early as well! In fact, the last of the ice on Lake Hubert melted on April 3 – one of the five earliest ice-out dates on record. Our planning has moved into high-gear as we prepare to make this summer the best it can be. Also included in the Spring Railsplitter are the 2016 special day themes, so be sure to read up and come prepared to participate in these epic days to come!

Last year was an eventful and unpredictable summer! As many of you likely remember, July 12, 2015 – the day before second session campers arrived – marked the date of one of the largest storms we have recorded, dating back before our first summer in 1909. Cleanup, repairs, and improvements began immediately, though much of the process was

scheduled to go on throughout the off-season. After many months of hard work from our fantastic Facilities and Grounds Crew, we have an amazing list of improvements to camp. Read on to learn about all the camp-wide updates.

One of our most exciting “upgrades” is one known to last year’s Hubert Campers: Chef Frank! Frank Fonseca has taken on the new role as year-round Food Service Director. He spent his winter working on creating menus, updating recipes, and testing new,

delicious dishes. His goal is to make the food at camp even better tasting (and yes, a bit healthier) than ever before! Look for more hand-made meals, sauces, and side dishes in the dining halls this summer.

Are you wondering if your camp friends will return for another amazing summer? We have included a list of every camper and LT who is enrolled at Lincoln and Hubert for this summer (as of March 31, 2016). If you do not see some of your friends listed, feel free to reach out to them and remind them to register! We still have some spots remaining for this summer, so you will not want them to miss out! Check over the list to see if your friends will be back, start talking with them about this summer, and get ready to make many more incredible memories.

I hope you enjoy this Spring Railsplitter! We are excited about this coming summer and hope that you are as well, and we look forward to seeing you at Camp Lincoln and Camp Lake Hubert soon!

## Rally Day Dance Themes

**1st Session: Monday, June 27th**  
**Intergalactic Cosmic Jam**

Greetings Earthlings... We are coming to you live from Planet Turn Down For What with a special announcement. We want to see you, all of your fellow campers and counselors in your best space-themed costume while grooving to some out-of-this-world music. Think aliens, Celia Mae, herculoids, martians, Mike Wazowski, Minions, Star Wars, etc., and you will be dressed just right to join in on this space crazed evening of fun. We cannot wait to see you break it down as we rocket across the Milky Way!

**2nd Session: Tuesday, July 26th**  
**Stars or Stripes... Time to Get Hyped!**

Whether you show up in stars or stripes, you will definitely be set to bring the hype at our Second Session Rally Day Dance. Please arrive ready to kill it on the dance floor donned in either stars, stripes, or a combination of both. The time has come to generate the starriest or most striped outfit that you can. And remember, the more you wear, the more all of us will stare!

## Frank Fonseca: New Food Service Director

We are excited to welcome Frank Fonseca to the Camp Lincoln and Camp Lake Hubert Winter Office Family as our Food Service Director! Last summer as the Camp Lake Hubert Kitchen Manager, Frank cooked his way into the hearts and stomachs of campers and staff with his great food and upbeat personality. Soon after last summer, he joined us full-time to achieve the ultimate culinary challenge – creating new and enhancing existing camp food for campers and staff to enjoy. We cannot wait to see what you think of our new and improved camp food this summer!

Born in Honduras, Frank moved to Miami, Florida, when he was one-and-a-half years old. He discovered his passion for cooking at the young age of 12 when his older brother taught him how to cook scrambled eggs. From that day forward, Frank was unstoppable in the kitchen, experimenting, creating and learning to love the vast possibilities that cooking offers. Through years of trial and error, Frank has learned to utilize his imagination in his recipes by combining unique flavors, making his dishes stand out among others.

Frank enrolled in Le Cordon Bleu College of Culinary Arts in Miami, Florida, in 2007. While attending school, he also worked in a number of restaurant kitchens, working full-time during the day, and going to school full-time at night. After culinary school, Frank began work in well-known restaurants on the East Coast, including Morton's Steak House and Red Fish Grill in Miami. As the Kitchen Manager at Red Fish Grill, Frank took his skills to the next level, learning fine dining and fusing Latin American and Caribbean cuisines with a focus on seafood.

In 2011, Frank was given the opportunity to open a brand new restaurant in Miami. The restaurant, Crave, was a success and Frank was offered a position on their corporate team to be a Corporate Training Sous-Chef. For two-and-a-half years, he worked with Crave across the United States, opening new restaurants and training in Omaha, Nebraska, Cincinnati, Ohio, and Minneapolis, Minnesota. While working for Crave, Frank learned how to make sushi and handle high volume. He was able to learn and grow as an individual and as a chef, leading him to new opportunities, including making Minnesota his new home.

Frank's next culinary adventure landed him a job working with a local company in Minnesota called Blue Plate Restaurant Company. While working for Blue Plate, Frank had the good fortune of working alongside Chef Dustin Pallansch. As a team, they created weekly specials that ranged from seared snapper with lemon-ginger vinaigrette with a fennel and cilantro salad, to smoked and cured duck breast sashimi. Pallansch served as a great mentor and was instrumental in helping mold Frank into the chef he is today.

When Frank is not in the camp kitchen creating delicious food to keep us all well-nourished, he can be found at his favorite camp activities: trapshooting and fishing. Frank enjoyed his first summer at Camp Lake Hubert, providing the best food experience possible for our campers and staff members. He is excited for this new adventure and the challenges ahead. Frank cannot wait to be back on the shores of Lake Hubert alongside this camp family he has come to love and call his own.

Bon appétit!

# CL and CLH Trip Offerings

Each year, Camp Lincoln and Camp Lake Hubert provide exciting ways to leave camp and explore the great wilderness that Minnesota has to offer with a number of unique adventure trips. With trips ranging from two-day overnights, to five-day/four-night trips, campers of all adventure levels will have a chance to get down to the nitty-gritty and enjoy the experience of rustic camping.

Here are some of our trip offerings for this summer!

## Boundary Waters Canoe Trip

Located on the United States-Canadian Border in Minnesota, the BWCAW is well-renowned as an amazing destination for both canoeing and fishing because of its numerous pristine lakes. In fact, it is the most visited wilderness area in the United States. On this trip, campers will have the opportunity to experience signs of native wildlife such as moose, grey wolves, and bald eagles while canoeing and portaging through this incredible preserved area. This trip is guaranteed to create unique and unparalleled lifetime memories!

## Mountain Biking at Cuyuna Country State Recreation Area

Get your heart pumping with the tight turns and scenic vistas of this highly anticipated, single track trail system! Enjoy over 25 miles of riding opportunity spread across 800 acres in one of Minnesota's newest recreation areas. In addition to off road trails, there are 6 miles of paved bike paths. Sign up to go on this trip to test your skills and feel the adrenaline rush while mountain biking through these amazing routes!

## Sea Kayaking in the Apostle Islands

The Apostle Islands are a beautiful series of islands that spread into Lake Superior at the northern end of Wisconsin. In your sea kayak, you can paddle your way to secluded beaches, sea caves, cliffs and old growth forests. On this trip, campers will learn about and actively incorporate equipment, paddling techniques, navigation, on-water safety, and camping from sea kayaks. Take this unique chance to explore the largest freshwater lake in the world!

## Canoeing at Isle Royale and Voyageurs National Park

Isle Royale and Voyageurs National Park offer a true rugged and isolated wilderness experience for the seasoned outdoor explorer. Far from the sights and sounds of civilization, both of these locations are home to unparalleled scenic beauty, native wildlife, and deep historical roots. Accessible only by ferry, Isle Royale National Park offers hikers unmatched beauty and solitude, with moose and wolf sightings a common highlight. In Voyageurs National Park, campers are able to fish for walleye and small mouth bass, camp on small islands and along inlets, and canoe across stunning, crystal clear bodies of water just like the traders of yesteryear. If you are looking to explore the vast Minnesotan wilderness beyond Lake Hubert, than this is the trip for you!

## Rock Climbing at Tettegouche State Park

Go rock climbing and hike to the 60 foot high falls of Baptism River, overlooks at Shovel Point, or down to inland lakes only accessible by foot. No rock climbing experience necessary! One half day will be spent climbing indoors along with a full day outside. Instruction will be provided by knowledgeable and experienced climbing guides. Campers will learn basic rock climbing skills and climb the cliffs and vistas at Tettegouche State Park.

# Booster Club

The Camp Lincoln and Camp Lake Hubert Booster Club provides a fun way for the camps to recognize and appreciate those campers who refer our camps to friends, family members and neighbors. It is easy to become a member. All you have to do fill out the online Booster Club Form with your friend's contact information.

Once you have completed a Booster Club Form online, you automatically become a member of the Booster Club Honor Roll, and will receive a Booster Club patch and summer chevron. You are also invited to join the Booster Club Party at camp during the summer.

If your friend signs up for camp, you will begin to earn your Booster Club levels and designated appreciation prizes. You are able to move up to two levels each summer.

## CORE VALUES

Camp Lincoln and Camp Lake Hubert are committed to character building through five key Core Values – values that have been a part of our tradition since 1909. These core values are an important part of everything we do, and are central to intentional camping. You can see our values in action, as our campers:

Build a strong community through the give-and-take experiences of living together;

Strive for excellence through challenges and achievements in activities and programs;

Have a lot of fun in a setting that creates joy and laughter with each new day;

Enhance and gain a sense of personal growth and development that comes with new-found independence and developed through the encouragement of caring young adults;

Establish many quality and lasting quality relationships that are made as the cabins work and play together.
