## RALLY DAY DANCE THEMES

### WHAT IS THE RALLY DAY DANCE?

During each of our four-week sessions, a dinner and dance is scheduled for current (school year 2018-2019) 7<sup>th</sup>, 8<sup>th</sup> and 9<sup>th</sup> grade boys and girls. These campers get to come together for a themed dance while the Camp Lincoln Leadership Training (LT) Level 1 Participants DJ the night away.

#### 1st Session – Thursday, June 27<sup>th</sup> at Camp Lake Hubert

### LET'S GLOW CRAZY!

That is right Lincoln and Hubert Campers! It is once again time for you to find those bold, bright neon-colored clothes of yours (or of your parents) and bring them with you to camp this summer. Let's not just limit this to clothing... as we feel that the more glow-in-the-dark/neon accessories, the better. We truly wanna see which camp can rock their Glow Gear the best. Hey...there is even talk of a Glow Stick Dance Off between some of the counselors and camp directors...Say what? It is definitely time to light up the night as you shine bright for this 1<sup>st</sup> Session Dance. Be ready to see the room glow as we break it down on the dining room flo... Let's Go!

#### 2nd Session – Friday, July 26<sup>th</sup> at Camp Lincoln

### PUT ME IN COACH...

Alright sports fans! This Rally Day Dance will allow you to represent your favorite sport, school, college or professional sports team. We either wanna know what sport consumes most of your free time or what sports team you ride or die with when you are not at Lincoln or Hubert. Those that truly wanna show they know what is up when it comes to being SPORTY will bring whatever essentials are needed for them to pull off this wacky dance theme which promises to be FIRE! Think club or school team uniforms/equipment, hats, headbands, jerseys, shorts, wristbands, golf clubs, tennis racquets, etc. that support your team. You can never have too much gear as we really want to see who or what you are repping while you dance to the latest stadium anthems and Top 40 tunes. Goooooo Team!

## REASONS TO BECOME A BOOSTER CLUB MEMBER

### CONGRATULATIONS

to Patrick Wing for being the first camper to ever become a Gold Booster Club Member. He invited SIX people to come to camp and they all enrolled from Summer 2018. He received a free camp session, and went on a special day trip to Pirate's Cove during camp to celebrate.

## ARE YOU ALREADY UP TO LEVEL 5? CHECK OUT OUR NEXT CHALLENGE!

### 1) HELP CONTINUE THE CAMP LEGACY

One of the reasons we have been around for so many years is because of people like our Booster Club Members. They spread the word to their friends, family members, and neighbors and bring lots of people to camp every summer. You could be a part of continuing the camp magic for years to come.

### 2) PAY IT FORWARD

Would you say that camp has made you a better person? Helped you conquer a fear? Helped you make new friends? What if you could help others experience the same growth you have? One way to do that - Booster Club.

### 3) ICE CREAM PARTY AT CAMP

Who does not love a Dairy Queen Dilly Bar? All Booster Club Members are invited to an ice cream party during camp to recognize their efforts and celebrate their Booster Club Membership.

### 4) LIMITED EDITION BOOSTER CLUB PRIZES

All of our Level 1-4 Booster Prizes are limited edition. Only Booster Club Members, who "boostered" someone that enrolls, have these items. You could get an engraved paddle, a Patagonia Backpack or even a mountain bike. What are you waiting for?

### 5) YOU COULD WIN BIG... REALLY BIG!

Booster Club Members who have received all four Booster Levels can continue on to the next challenge - Bronze, Silver and Gold. These challenges are not for the faint of heart, but they are worth it. You might win a shopping spree, a free camp session, or theme park tickets...Need we say more?

# 5 TIPS FOR SURVIVING YOUR CHILD'S FIRST STAY AT OVERNIGHT CAMP

BY AUDREY MONKE - SUNSHINE PARENTING

Your child's at summer camp? That's so exciting. And hard.

For some of you, an internal "WAHOO!" went off as the bus filled with excited campers and their duffle bags pulled away. But for others, this whole experience of your child not being home is really hard and causes some emotional distress.

In hundreds of conversations with parents, I have discovered that camp experiences – especially first ones – are much harder on parents than they are on campers. While the camper is engaged in fun, new activities and busy making friends, the parent is home feeling empty because their child is not with them.

I am hopeful that giving you a few insights and ideas will help your summer as a camp parent be a more positive one.

Years ago, I learned and started using the term "kid-sick" to describe what some parents feel while their kids are at camp. Acknowledging your ambivalence about your son or daughter being away can be important. I have heard from parents who have emotional and physical pain when their child is away. I vividly remember a call from a mom who "just had a bad feeling" about what her child was going through at camp. Turns out, after checking on her child, he was doing just fine. She was suffering, though.

When your child is away, the normal routines of your day are thrown off, because the person you are used to caring for and focusing on is not there. The quiet in the house and the daily tasks that no longer need to be done can create a strange void. Here is my advice to you: Step confidently into that void, find other areas of focus, and get over your kid sickness. It's easier than you think.

## 1) VIEW THE PHOTOS, BUT NOT TOO MUCH

First, if you are making a full-time hobby out of viewing and refreshing the photos from camp and are trying to follow your child's every move from afar, stop; your kid-sickness will not go away as quickly unless you find another way to occupy your time. The photos can provide reassurance when you see your camper's smiling face. But when viewed in excess, I think the photos make parents even more kid-sick.

Now that you know what not to do, here are some things you can try:

## 2) DO SOMETHING FUN

- Is there something you have been wanting to do but have not had time?
- A hobby you have missed doing or always wanted to try?
- A book you have been wanting to read?
- A movie you have been wanting to see?
- A museum you have wanted to visit?
- A trip you have been wanting to take?

Think of your child's time at camp as your chance to create your own "camp" experience. Pursue something fun or new you have been wanting to try but have not had time for in recent years. I have heard from parents who do a variety of different things while their kids are at camp – home improvement projects, trips that kids would not enjoy, and date nights are just a few of many ideas to fill your time and make it more enjoyable (and go faster).

## 3) DEEPEN FRIENDSHIPS

While your child is at camp making new friends, why not spend some time connecting with your own?

You have got more time for adult social events with your camper away, so use it to connect with friends you have not had time to see in a while or someone you have been wanting to get to know better.

## 4) GET OUTSIDE

While your camper is outside enjoying fun recreational activities, why not try some of your own outdoor activities? Meet a friend for a hike, rent a kayak or paddle board at a lake or beach, or take an outdoor rock climbing class. Summer is such a beautiful time to spend time outdoors.

### 5) WRITE YOUR CAMPER A LETTER

For most families, summer camp is the one (and only) place where parents and kids are not in constant communication with one another via phone or text. This can be a challenging transition. Why not take advantage of this unique opportunity to write your camper some fun, old-fashioned letters?

Camp experiences can be amazing times full of fun and growth for your child. Giving them the opportunity to attend camp is a gift that will provide them with the opportunity for character growth, fun childhood memories, and lifelong friendships. Try not to worry while they are at camp. Soon, your camper will return home, proudly sharing stories of their friendships and adventures. Maybe you will have a few of your own to share, too.

### 3) CAMP KEEPS HARD WORK FROM GOING TO WASTE

- Camps understand the critical role they play in helping young people learn and grow. Many offer programs that help reduce summer learning loss, bolster academic enrichment and socialization, provide opportunities for leadership development, and ensure that campers achieve their full potential.

### 4) CAMP HELPS KEEP THE MIND SHARP

- According to a study by two Cornell University Environmental Psychologists, being close to nature can help boost a child's attention span. Additionally, a study conducted by the University of Essex in England concluded that nature can help people recover from pre-existing stresses or problems, has an immunizing effect that can protect from future stresses, and can help people to concentrate and think more clearly. In some instances, camp may be the only time a child is in contact with the natural world.

### 5) CAMP IS FUN

- It is true; kids do silly songs and play funny games at camp. Children are allowed to play in a safe and nurturing environment and are allowed to just be kids. According to an American Academy of Pediatrics Report, creative free play protects a child's emotional development and reduces a child's risk of stress, anxiety, and depression.

## FIVE REASONS YOUR CHILD NEEDS CAMP

BY THE AMERICAN CAMP ASSOCIATION (ACA)

### 1) CAMP FOREVER CHANGES YOUR CHILD... FOR THE BETTER

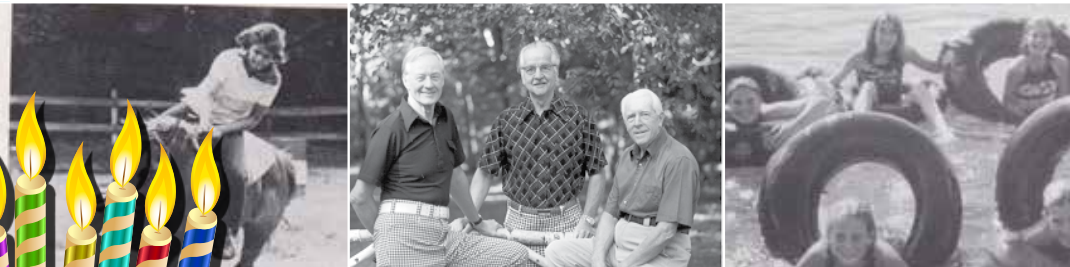

- Research has confirmed that camps build skills necessary to prepare campers to assume roles as successful adults. Campers said that camp helped them make new friends (96%), get to know kids who are different from them (93%), feel good about themselves (92%), and try things they were afraid to do at first (74%).

### 2) CAMP TEACHES YOUR CHILD TO "MOVE IT, MOVE IT"

- According to surveys by both the Kaiser Family Foundation and the Centers for Disease Control and Prevention, an American child is six times more likely to play a video game on any given day than to ride a bike. An estimated 22 million of the world's children under the age of five are already considered obese. According to research conducted by the ACA, 63% of children who learn new activities at camp tend to continue engaging in these activities after they return home. This leads to continued physical exercise that lasts a lifetime.

The bar will be raised yet again for Summer 2019’s installment of Color Wars Part Two with the addition of new campers, new events, more fun, and a new champion.
