"OUR DAUGHTER WOULD RATHER SPEND HER VACATIONS AT CAMP THAN ANYWHERE ELSE"  
- CAMP LAKE HUBERT PARENT

# LETTER FROM RUGGS

Welcome to the 2022 Alumni Railsplitter! We love keeping in touch with and hearing from our camp alumni and are happy to send you this Alumni Calendar. It is full of photos from this past summer, along with some interesting factoids, reflections, and of course, the list of legacy campers which continues to grow increasingly every summer.

The Summer of 2022 saw Camp Lincoln and Camp Lake Hubert take a big step out from underneath the pandemic restrictions. While testing remained, once we were past two negative tests, camp, once again, had that pre-pandemic feel to it. There was a lot of excitement around the fact that our international campers started to return this past summer. Travel restrictions were ambiguous up until the spring which made it hard for many of them to make plans. We certainly appreciated the determination of those that were able to navigate the bureaucracy and arrive at camp.

There were some lessons learned out of the pandemic. Upon reflection, some of our camp policy and practice changes enacted over the past two summers made much more sense. After reviewing the camper surveys at the end of this past summer, it was revealed that a vast majority of them really enjoyed eating meals outside on the picnic tables. Moving forward, we will continue to have this as an option for certain meals. Campers also expressed that spending the first day or two doing activities together as a cabin group made them much closer, much sooner. Focusing on the cabin group early in each session will also continue to be a part of the camp program in the future.

On a personal note, I have begun to take a step back from the day-to-day operations of Camp Lincoln and Camp Lake Hubert. Michael “MJ” Johnson has joined our team and is gradually assuming more responsibility for operating the two camps. He will work with and oversee André and Stacey to continue to provide the top-notch experience our alumni, campers, and camper parents have grown accustomed to each summer. I will be working alongside Michael and moving to more of an advisory role for the directors while continuing to connect with alumni, current families, and new potential families. We are all excited about what lies ahead for Lincoln and Lake Hubert.

As always, thank you for your continued loyalty and support as we so appreciate it. Please enjoy this Railsplitter all year long and please be sure to stay connected to camp!

Respectfully,

# BLUE SKY

[low/melody part]

There's a blue sky way up  
yonder / There's a blue sky  
o'er my head / There's a blue  
sky way up yonder / That's a  
cover for my bed / And  
wherever I wander / And  
wherever I roam / There's  
a blue sky way up yonder /  
That's a calling me home

[high/harmony part]

There's a blue sky, blue sky  
o'er my head / There's a  
blue sky, blue sky cover for  
my bed / And wherever I  
wander and wherever I  
roam / There's a blue sky,  
blue sky calling me home

# CORE VALUES

## QUALITY RELATIONSHIPS

Campers learn valuable life lessons by forming new relationships based on empathy, face-to-face communication, and integrity. More than merely making new acquaintances, campers develop meaningful and strong relationships that last beyond camp.

## COMMUNITY

Campers learn the value of community based on honesty, inclusion, and respect through the lessons of communal living, compassion, and teamwork. We celebrate the uniqueness that each individual contributes and how that brings us together.

## PERSONAL GROWTH AND DEVELOPMENT

Camp Lincoln and Camp Lake Hubert emphasize challenging one's self, healthy risk-taking, and learning to build confidence and self-respect. We aim to give campers opportunities to reflect upon who they are at their core and how to grow into the person they want to become.

## FUN

With 40 different land and water activities and friends from all over the world, there is nothing but good times to be had. Whether it is fun in the water, fun in the woods, or laughter and smiles around the campfire, fun is at the heart of a Camp Lincoln and Camp Lake Hubert Summer.

## EXCELLENCE

Camp Lincoln and Camp Lake Hubert set high standards and reward achievement and effort. We strive for the best and encourage others to do the same. We demonstrate the value of excellence through perseverance, positivity, and safety.

WE HAVE BEEN MAKING A DELICIOUS FUDGE SAUCE TO TOP OUR ICE CREAM SUNDAES FOR OVER 65 YEARS. ABOVE IS OUR FAMOUS RECIPE FROM OUR VERY OWN FOOD SERVICE DIRECTOR FOR 33 YEARS (1957-89), THE LATE EVELYN SPONBERG YOUNG.

2023

## EVELYN YOUNG'S FAMOUS FUDGE SAUCE

- 1/2 cup butter
- 3 oz. bakers unsweetened chocolate
- 1 Can (13 oz.) of condensed milk
- 3 cups of sugar
- 1 tsp. of vanilla

1. Melt butter and chocolate in a double boiler.
2. Slowly add condensed milk, stirring constantly.
3. After the above three ingredients are mixed as one concoction, add sugar.
4. While adding sugar continue stirring and use spatula to keep sugar from sticking to pan.
5. Reduce heat, continue stirring, and cook for 7-10 minutes.
6. Add vanilla and remove from heat.

Camp is a great community to learn, try new things, and make, long-lasting friendships. One of the best parts of camp is trying new things and seeing if you like them or not. Camp is a thriving, positive community where people feel included and are open to meet each other. It creates a feeling that makes people want to come back. If you return year after year with the same people, it is amazing to see the same good friends. When you do not, it gives you an opportunity to meet more new people and create more camp friends. Friends at camp are always the best because when you spend that much time with people you become really close with them. There will be many incredible people and experiences and chances to learn new things and step out of your comfort zone in a good, safe environment at camp. The camp community is so supportive and when you are struggling, they are there for you because they want you to succeed and have the best time at camp you can.

Nora Pena - Staff Member

I know what it is like to work with children. It is what I do every day, but I did not expect for these girls to influence me in just four weeks. Every laugh, activity, meal, hug, and moment that passed became unique. CLH is magical. It is a place where strangers become your best friends, where friendships are in the form of bracelets, hoodies smell like campfires, and there are never enough s'mores. It is a place where people sing after eating, where you hit the table with a beat and if you do not touch your nose on the table, you lose the game. At camp, there are starry and cool nights in the middle of summer. But most importantly, it is a family, one I did not expect to find, but gained. I have no words to describe what this summer was like for me. CLH made me a better person, it made me enjoy every detail, every moment, no matter how small. The minute I left that place, I could not wait to get back, and I know that will be the feeling I have until I return to the shores of Lake Hubert again. CLH changes people, shares hearts and makes you shine without even trying. Only those who have lived it know how important it is, and with all my heart I hope that everyone has the opportunity to experience it one day.

Barrett Adams - LT

One of the most eventful days of the session: Color Wars! During Camp Lincoln's Color Wars, all staff members and campers are divided into two teams (Red and Blue). Throughout the day, both teams compete to earn points through many methods such as: tug of war, knockout, activities throughout the day, and even an action-packed song contest judged by the directors of our camp. Even while the camp is split into two teams for the day, the passion that both teams exemplify and the unity in each team's community is truly unlike anything I have ever seen. Another significant portion of the day is Camp Lincoln's Annual International Food Night. Our wonderful kitchen staff members, make the camp foods from their own cultures from all around the world. International Food Night is personally one of my favorite nights of the year, as I get to branch out and try foods that I would never get the opportunity to try back home. These dishes come from places all around the world such as Poland, Mexico, Canada, India, and many more. I think I speak for all here at camp when I say we all are eternally grateful that the kitchen staff members are willing to share even a small part of their own unique and diverse culture.

# SCHOLARSHIP DONORS

A **BIG THANK YOU**...to all our alumni and friends who contributed to our 2022 Scholarship Fund. Your contributions allowed us to make a real difference in the lives of our scholarship campers who were able to attend and benefit from an experience at Camp Lincoln and Camp Lake Hubert last summer.

The American Camp Association manages our scholarship fund and as a 501c3 organization, all contributions are tax deductible. Some of our scholarship campers are referred by and/or sponsored by one of our alumni.

Do you know of a child in your community who would benefit from the impact of camp? If so, you can get in touch with us by email [alumni@lincoln-lakehubert.com](mailto:alumni@lincoln-lakehubert.com) or give us a call at 952-922-2545. Please consider making a contribution to our scholarship fund to make a real difference in a child's life to attend camp this summer. Even a small donation can collectively go a long way and we will always match every contribution 100%.
