Spring 2026***

***PRICE: A SMILE***

# WE CANNOT WAIT TO SEE YOU!

Stuart and I managed to survive another Minnesota winter while spending plenty of time planning and preparing for Summer 2026, our 116<sup>th</sup> Season on the shores of Lake Hubert. As always, we have spent the offseason reviewing feedback from our campers, parents, and staff members to determine what worked well and where we could make improvements. We are excited to bring many of those ideas and suggestions to life this summer.

While many of the traditions that make Camp Lincoln special will remain the same, we have also made several exciting additions and improvements that we believe campers will really enjoy. From a new and enhanced Color Wars Experience to expanded trip opportunities, Camp Lincoln/Camp Thunderbird Competition Day, World Cup Theme Day, and updates to our daily schedule, Summer 2026 promises to be filled with adventure, challenges, fun, and surprises.

As you pass through the Camp Lincoln Gates this summer, we want you to feel welcomed and immediately become part of something much bigger than yourself. For more than 115 years, young men from across the country and around the world have come to Camp Lincoln looking for adventure, friendship, and new experiences. Whether you are attending for the first time or returning for another summer, we hope you quickly feel like you belong and know that you are part of the Camp Lincoln Brotherhood.

During your time at camp, we hope you will build lasting friendships, become more confident in your abilities, embrace the outdoors, and challenge yourself to try new things. Camp is a place where young men gain confidence, develop leadership skills, discover new interests, and create memories that stay with them long after the summer ends. Our goal is to provide an environment where every camper feels supported, encouraged, and valued.

Summer is always better when it is shared with friends. If you know someone who would enjoy the Camp Lincoln Experience, we encourage you to invite them to join us this summer. There is nothing quite like spending a summer at camp with friends old and new while creating memories that will last a lifetime.

Inside this Spring Railsplitter, you will find important information about Summer 2026, including daily schedule updates, new programming opportunities, special events, camp improvements, and other exciting news from around Camp Lincoln. We hope you enjoy learning more about what is in store for this summer.

Before long, it will be time to pack your bags and head north. Stuart and I cannot wait to welcome you back to Camp Lincoln and another unforgettable summer on Lake Hubert. We are looking forward to another incredible summer and to helping each camper grow, make new friends, and experience everything that makes Camp Lincoln such a special place.

See you real soon on Lake Hubert!

André and Stuart

## **PARENTS CALL TO ACTION!**

Now that summer is finally here, it is a great time for families to take a few quick steps to make sure everything is set for your camper's arrival.

Please log in to your CamplnTouch Account to complete any remaining camper forms. Submitting these forms early helps our team prepare for your child's session and ensures a smooth check-in when camp begins.

We also encourage all parents to download the Companion App, which will be our primary platform for camp photos, updates, and important communications throughout the summer. Having the app ready before camp begins will make it easy to stay connected while your camper is at Lake Hubert.

The 2026 Parent Handbook and Travel Guide are available online and can be found in your CamplnTouch Account. These resources include important details about camp life, travel information, and the complete camper packing list for intro, half-session, and full-session campers.

Taking a few minutes now to complete these steps will help make the start of camp easy and stress-free for everyone.

# ***COLOR WARS 2026***

## ***THE ULTIMATE COLOR WARS EXPERIENCE***

Color Wars returns in Summer 2026 in a newly reimagined format that combines the best traditions, events, and moments from both Color Wars Part One and Part Two into one unforgettable experience.

Following the Sunday evening team selection ceremony, campers and staff members will proudly join the Red Team or Blue Team and begin preparing for the battles ahead.

Throughout the week, anticipation will continue to build through team gatherings, spirited competitions, special events, and a few surprises along the way.

Campers and staff members proudly wear their colors, defend their teams, and look for every opportunity to help their side gain an advantage. Friendly debates begin. The cheering grows louder. Team pride becomes impossible to miss. By the time the finale arrives, both teams are fully invested in bringing home the victory.

The Red Team is convinced this is their year.

The Blue Team would not have it any other way.

Songfest. Team Fires. Team Meals. Tug-of-War. The Relay Race. New challenges. New traditions. One legendary week.

Every point matters. Every cheer matters. Every camper matters.

**When your team needs you, will you be ready?**

## ***CAMP LINCOLN VS. CAMP THUNDERBIRD***

### ***THE RIVALRY RETURNS!***

Camp pride. Friendly competition. Bragging rights.

Camp Lincoln and Camp Thunderbird will once again square off in one of the most anticipated events of the summer.

During Session 1, Camp Thunderbird Campers will travel to Camp Lincoln. During Session 2, Lincoln Campers will make the trip to Thunderbird.

Once the competition begins, there is only one goal:

Help Camp Lincoln come out on top!

Campers will compete alongside their friends, cheer on their teammates, and do everything they can to bring the victory back to Camp Lincoln. The energy will be high, the competition will be fierce, and the camp spirit will be impossible to miss.

Few things bring campers together like a little friendly competition.

You will not want to miss this one.

Camp pride is on the line.

Let's do this!

# THE WORLD COMES TO CAMP

One day each session, Camp Lincoln will celebrate one of our Summer 2026 Themes as the world comes to camp.

Campers are encouraged to bring and wear their favorite country's jersey as Camp Lincoln transforms into a day filled with music, camp spirit, and plenty of surprises.

From Breakfast and Flag Raising through Lunch, the energy will be hard to miss. Great music, World Cup-themed challenges, and country pride will help create an atmosphere unlike anything else at Camp Lincoln.

World Cup Day celebrates the spirit of Camp Lincoln and the people who make it so special.

Different countries. One community. The world comes to camp.

Inspired by the success of J-Up, CL Up Day is coming to all campers in Summer 2026.

No two CL Up Days will ever be exactly the same.

The possibilities for CL Up Day are nearly endless.

That is where you come in.

If there is an activity, hobby, skill, or experience you would like to see offered during CL Up Day, please be sure to share it with our Program Directors this summer. Some of the best additions to camp have come directly from campers.

For one day, campers will help shape the experience.

# CAMP LINCOLN TRIPS PROGRAM

Following the overwhelming success and popularity of last summer's trips, the Camp Lincoln Trips Program returns for Summer 2026.

Available to Session Campers, the Trips Program provides opportunities to explore destinations beyond camp while creating memories and experiences that will last long after the summer ends.

Whether spending time outdoors, visiting exciting attractions, or sharing new experiences with friends, each trip offers campers a chance to see more, do more, and make the most of their summer.

The Camp Lincoln Trips Program was a camper favorite in 2025, and we are excited to bring it back even bigger in 2026.

Where will this summer take you?
