***Camp Lake Hubert
Spring 2026***

PRICE: A SMILE

A BIG CAMP WELCOME TO OUR 2026 CAMPERS!

Summer is getting closer, and we are so excited to welcome you to Camp Lake Hubert. Whether this will be your very first summer with us or you are returning to a place that already feels like home, we are looking forward to an incredible season together.

This summer marks our 99th season on Lake Hubert, and it's pretty special to think about the generations of campers who have come before you. For nearly a century, girls have arrived at camp ready for adventure, new friendships, and experiences that help them grow in confidence and independence. Each summer adds another chapter to that story, and we are excited for you to be part of it.

As camp approaches, it is normal to feel a mix of excitement and maybe a few nerves. Starting something new—or returning after a year away—can bring lots of feelings. One of the things we love most about camp is that it is a place where everyone can settle in at their own pace, be themselves, and discover what makes them shine.

Our counselors are already getting ready for the summer and will soon be traveling to camp from across the country and around the world. They bring energy, creativity, and care to everything they do, and they are excited to help guide campers through new experiences, big laughs, and plenty of memorable moments throughout the session.

Soon you will be packing your camp gear and counting down the days. Before long, the docks will be busy with paddles in the water, cabins will be filled with laughter, and evenings will end around the campfire sharing stories and songs. We have been preparing all year for the summer ahead, and we cannot wait for camp to come alive again with all of you here.

Camp Lake Hubert has always been about community—about supporting one another, trying new things, and creating memories that last long after summer ends. We are so glad you will be a part of it. We are looking forward to seeing you on the lake very soon.

In the spirit of camp,

Stacey and Shay

There is still time to enroll for this summer! Scan the QR Code, click this link www.lincoln-lakehubert.com/enroll-now/ or call us at 218-963-2339.

There is a colorful and fun Camp Activity on the last page. It will help you get excited and plan ahead for the vast selection of activities you will experience this summer. Go ahead and give it a try!

JOIN US FOR LAKE LIFE – IT IS A GREAT LIFE!

Summer on Lake Hubert is something special, and there is still time to be part of it. We currently have space available in several sessions and grade levels, and we would love to welcome a few more campers this summer.

Life at the lake means days filled with activity, laughter with cabinmates, time on the water, and the chance to try something new. Camp Lake Hubert is a place where girls grow in confidence, build lasting friendships, and create memories that stay with them long after the summer ends.

If you know someone who has been thinking about camp, this is a wonderful time to join us. We would be thrilled to welcome new campers to our community and share the magic of a summer on Lake Hubert.

PARENTS CALL TO ACTION!

As we get closer to summer, now is a great time for families to take a few quick steps to make sure everything is set for your camper's arrival.

Please log in to your CamplnTouch account to complete any remaining camper forms. Submitting these forms early helps our team prepare for your child's session and ensures a smooth check-in when camp begins.

We also encourage all parents to download the Companion app, which will be our primary platform for camp photos, updates, and important communications throughout the summer. Having the app ready before camp begins will make it easy to stay connected while your camper is at Lake Hubert.

The 2026 Parent Handbook and Travel Guide are now available online and can be found in your CamplnTouch account. These resources include important details about camp life, travel information, and the complete camper packing list for both half-session and full-session campers.

Taking a few minutes now to complete these steps will help make the start of camp easy and stress-free for everyone.

BACK BY POPULAR DEMAND: INTRO CAMP!

We are excited to share that **Intro Camp is returning this summer!** Designed especially for our youngest campers in **Kindergarten through 2nd grade**, Intro Camp is the perfect way to experience the magic of camp for the very first time.

These shorter sessions give young campers the opportunity to discover what summer camp is all about in a supportive and welcoming environment. Campers will enjoy many classic camp activities, make new friends, and build confidence as they explore life at Camp Lake Hubert.

Because of the strong interest from families, we will be offering **two Intro Camp sessions this summer**, creating even more opportunities for new campers to join the fun.

Intro Camp is often the beginning of a wonderful camp journey, helping lay the foundation for many future summers at **Camp Lake Hubert**.

WHAT IS NEW AT CAMP LAKE HUBERT SUMMER 2026?

Each summer brings new adventures to Camp Lake Hubert, and we are excited to share a few of the things campers and staff can look forward to this year.

One of the biggest pieces of news is the return of camp trips! We are thrilled to once again offer some favorite adventures, including sea kayaking and rock climbing. These trips give campers the opportunity to explore beyond camp, challenge themselves, and experience the incredible outdoors that surrounds us.

Behind the scenes, our maintenance team has been hard at work throughout the year continuing to care for and improve our camp grounds. From repairing and painting buildings to improving paths and roads around camp, their efforts help keep Lake Hubert looking beautiful and make it easier for everyone to move around camp. You may notice updates like the improved stairway through the woods near the Health Center and Tree House, along with other projects happening across camp.

We are also expanding some of our creative and learning-focused activities. Campers will have even more opportunities to explore interests through activities like STEM projects, podcasting, creative writing, and the camp newspaper—great ways for campers to share ideas, tell stories, and try something new.

And of course, exciting things are happening with our sailing program. Our fleet of FJ sailboats arrived last fall, and we are now working on a new dock system and adding another safety boat to support the program. Plans are also underway for a regatta with other camps, which will be an exciting opportunity for our sailors to showcase their skills on the water.

There is always something new happening at Camp Lake Hubert, and we cannot wait for campers and staff to experience all of it together this summer.

COLOR GAMES AT CAMP LAKE HUBERT

Get ready... because one of the most anticipated days of the summer is here—**Color Games!**

Whether you are Green or White, your spirit will ignite the moment the teams are revealed and camp transforms into a sea of color, cheers, and nonstop energy.

For one unforgettable day, camp is divided into two teams—**Green and White**—as they battle it out through a full day of exciting, action-packed challenges. From all-camp games to creative competitions and everything in between, every cheer, every point, and every moment counts.

The best part? It is not just about winning—it is about teamwork, pride, and the incredible spirit that makes this day so special.

And when the final challenge ends and the scores are tallied, something even more important happens...

Camp comes back together — stronger, closer, and more connected than ever.

Team color assignments will be revealed at camp, and every camper will receive their team shirt to wear with pride.

So bring the energy, bring the spirit, and get ready to cheer louder than ever—**Color Games** is a day you will never forget.

PLANET HUBERT - SPECIAL DAY 2026

A brand-new planet has just been discovered in our solar system... **Planet Hubert!**

At first, it seems uninhabited... but not for long.

Two very different groups suddenly find themselves landing on this wild, unknown world— each ready to claim it as their new home...

The Cowgirls – full of grit, resilience, teamwork, and true frontier spirit.

The Aliens – bursting with curiosity, creativity, kindness, and out-of-this-world imagination.

But Planet Hubert is not going to be easy to survive on...

From strange terrain and unexpected challenges to cosmic mysteries and camp-style showdowns, both groups must work together to build, explore, and create a life on this new planet. Along the way, they will face challenges that test their teamwork, problem-solving, and ability to think way outside the box... maybe even outside the atmosphere.

The big question is...

Can cowgirls and aliens put their differences aside to save Planet Hubert?

Or will this new world turn into the wildest showdown in the galaxy?

Saddle up, suit up, and get ready – this is one adventure you won't want to miss.

STAFF RETURNING

LEADING THE WAY AT CAMP LAKE HUBERT - SUMMER 2026

We are excited to welcome this summer's **Leadership Training** (LT) group to Camp Lake Hubert! These remarkable young women are beginning an important step in their camp journey as they take on new responsibilities and grow as leaders within our community.

The LT program is designed to help young women strengthen their leadership skills while remaining active members of camp life. Throughout the summer, they will help lead special days, assist with camp-wide activities, support younger campers, and learn more about what it means to guide and inspire others.

Leadership Training is an important tradition at Camp Lake Hubert, and each year we are proud to watch these young women develop confidence, responsibility, and a deeper connection to our camp community. Their energy, creativity, and dedication help make camp stronger for everyone.

We look forward to seeing the positive impact this year's LT group will have across camp and the example they will set for the campers who look up to them.

GET READY FOR NONSTOP SINGING!

After a great meal, a walk down the path, or time spent gathered around the campfire, you will hear campers and counselors breaking into classic camp songs. From tunes about yodeling Austrians to melodies celebrating fried ham, the music fills the air. We cannot wait to teach you some of our favorites from Camp Lake Hubert, and we have shared the lyrics with you as we gear up for an unforgettable summer!

CAMP LAKE HUBERT SONG

For every Hubert Girl is quite discreet
She's got that hundred per from head to feet
She's got that smile that style that winning way
No matter where you go you'll recognize her and you'll say
Now there's a girl I'd like to know
She's got that good old Hubert pep and go
And just to look at her is quite a treat it's hard to beat
A Camp Lake Hubert Gir-r-r-ll!

PRINCESS PAT (REPEATING SONG)

The Princess Pat
Lived in a tree
She sailed across the Seven Seas
She sailed across the Channel Two
And she took with her
A rigabamboo
A rigabamboo
Now what is that
It's something made
By the Princess Pat
It's red and gold
And purple, too
That's why it's called
A rigabamboo
Now the Captain Jack

Had a mighty fine crew
He sailed across
The Channel too
But his ship sank
And yours will too
If you don't take
A rigabamboo
A rigabamboo
Now what is that
It's something made
By the Princess Pat
It's red and gold
And purple too
That's why it's called
A rigabamboo
