

– PARKING – NEAR THE FOX CITIES EXHIBITION CENTER (FCEC)

Metered Street Parking

In the FCEC area, Downtown Appleton's parking meters generally cost \$1.00 per hour, and are limited to two hours from 9am-6pm. Street parking is free after 6pm on weekdays and all day on Sundays and holidays.

Download the free Passport Parking App on your [Apple](#) or [Android](#) devices. Payment for parking can be made by debit or credit card. The app allows users to extend parking time remotely – provided it is within the time limit of the parking space. Users can also receive notifications when their time is about to expire. **The meters will still accept coins for users that prefer that method.** The app is available for use at all of the almost 1,000 metered parking spaces across Downtown. See a [quick demo video](#).

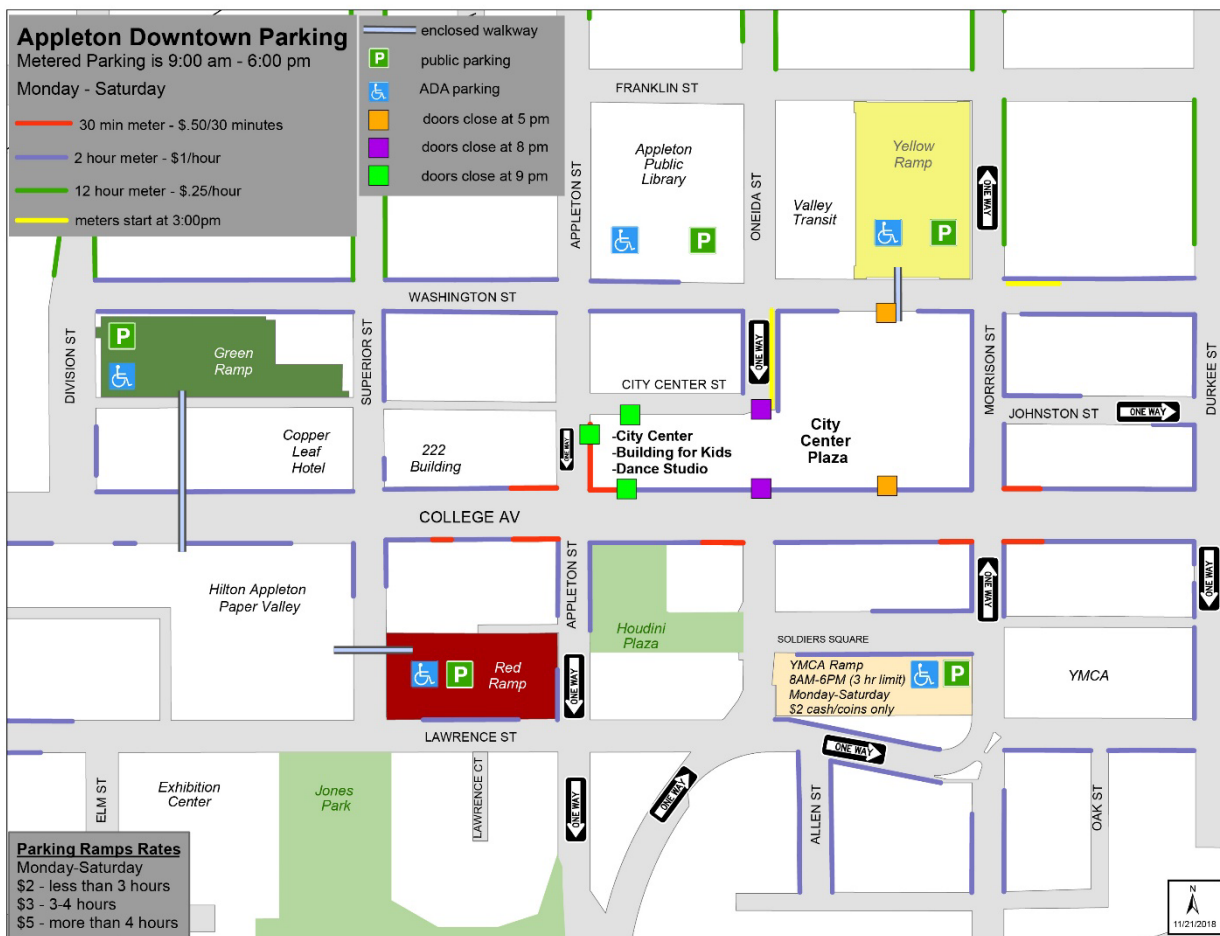

Parking Ramps

There are four parking ramps located near the Fox Cities Exhibition Center in Downtown Appleton, providing safe, convenient parking. Each ramp features a unique color-code (Red, Green, Yellow) to be easily recognized; the fourth is the YMCA ramp located in Soldiers Square. For parking ramp locations, see map below.

- The **Red** (Hilton Appleton Paper Valley), **Green** (PAC/Fox Cities Performing Arts Center) and **Yellow** (East on Washington St.) parking garages are now pay-as-you-exit and accept cash, credit cards, permits and validated hotel cards. **Regular rates are \$3 for less**

than 4 hours, \$6 for over 4 hours (up to 24 hours). For closest proximity, we recommend parking in the Red or Green ramps.

- The **YMCA Ramp** (Soldiers Square) charges \$2, with a 3-hour maximum stay. **Note: payment accepted in Cash/Coins only.**
- **NOTE for GROUPS: Special parking arrangements can be made for groups.** For more information, see: **Group Parking Arrangements**
- The Hilton Appleton Paper Valley provides an **optional \$12.00 per night parking validation fee** which grants unlimited entry and exit access to our customers in the **Red Ramp on Superior Street ONLY.**
- **NOTE for those requiring an ELEVATOR** from the parking ramp into the Hilton Appleton Paper Valley (such as the elderly, disabled, those with large suitcases or vendors with carts to transport materials): **We recommend utilizing the Green Ramp** (entrance located on Division Street by the Performing Arts Center) as it affords easy elevator access to the FCEC and Hilton Appleton Paper Valley via the Skyway over College Ave. and Lawrence St. However, the **regular City Parking Ramp rates (see above) would apply in the Green Ramp.**
- There are **no plug-in chargers** within the parking ramps. For more information on locations where these can be found, visit [PlugShare](#) or [ChargePoint](#).

Group Parking Arrangements

- For parking, we suggest using one of the two parking ramps (**Red** and **Green**) owned by the City of Appleton that adjoin to the Hilton Appleton Paper Valley through skywalk connections. The **Red Ramp** (Superior Street) is the closest to the Fox Cities Exhibition Center. If guests are not paying on their own (group is covering parking for attendees), please contact the City of Appleton at (920) 832-5584 to coordinate.
- The FCEC has a loading zone and loading bays for vendors, **the use of which must be coordinated in advance** through Convention Services. Parking for oversized vehicles that will not fit in the Red Ramp can be arranged for a cost.
- There are a limited number of free handicap-accessible parking spaces at the FCEC.
