

## Pet stay regulations

Owners must provide an updated proof of vaccination.

Pets must wear an identification tag at all times.

If the pet causes damage to the suite, common areas, or other guests' property, the full amount of damages will be charged to your account.

Weight limit is 22 lb per suite.

During arrival, departure, and movement throughout the resort, the pet must be on a leash and muzzled (if necessary).

Pets are allowed in common areas on a leash at all times and a muzzle (if necessary). Our restaurant has a special area for guests with pets.

Pets are not allowed in the pool and gym.

Owners are responsible for cleaning up their pet's waste inside and outside the hotel, including the beach.

Pets may only be in the suite during cleaning services if accompanied by the owner.

The hotel reserves its right to charge the guest for any additional cleaning.

Pets may not be left alone in the suite unless in a cage or carrier.

Bathing pets in the suite is not allowed.

Guests must ensure proper treatment of facilities and demand good behavior at all times, ensuring that the pet does not disturb other guests by meowing or barking.

During their stay, pets will receive a bed and water and food bowls (pet food not included).

Pets are only allowed in selected suites.

Price per night is \$30 USD plus service and taxes.
