Dear Mr. Castillo *Gabriel*

On behalf of the Laredo Tennis Association (LTA), we would like to extend our most sincere thanks for International Bank of Commerce's **GRAND SLAM Sponsorship** of \$5,000.00 to the 2024 LTA Annual Giving Campaign. Together, we are giving ALL Laredoans of ALL abilities and ages the opportunities to come together to learn, play tennis and grow socially and cognitively while developing character skills to contribute to their community in the future.

Your gift will allow LTA to continue serving youngsters from free and reduced lunch schools of Laredo and underserved areas, as well as adults with special modification needs. Your support also contributes to the growing need to aid in guiding new graduating community members who seek to reach a higher education. This year in particular, the Annual Giving Campaign was able to aid in re-activating the Tennis for the Blind & Visually Impaired community. It is amazing the impact of a tennis class on the special needs' population. Their self-confidence and physical and cognitive development soared high as did the increased enrollment of the Stroke Survivor Tennis Class. With you by our side, LTA will continue providing coaches, volunteers, and mentors with the opportunity to not only share their passion of tennis, but become an example to others to become "givers" within their communities.

Again, LTA thanks you for your friendship and support. Your dedication to our mission is inspiring and humbling. We are excited to start the new year with you on our team once again. Thank you for coming to this year's stock show. Unfortunately this year I did not get the results I hoped for so I am kindly asking for any monetary donation.

This was my third year and final year raising a lamb for the fair. In these years I have learned much and grown as a person. FFA has been a great experience to make new friends and learn new skills; I am so excited to take all the opportunities with me into my adult life.. After high school I plan to continue my studies in agriculture.

This money will be going towards my college funds; anything will be greatly appreciated

Gabriel,

We cannot thank IBC enough for this very generous sponsorship of the Kazen Fellowship Gala. This event allows the Webb County Bar Association the opportunity to transform the lives of low-income, first-generation, motivated, and well-deserving high school juniors and seniors. These students will be trained to become active and engaged community leaders. I can't wait for you to meet the 2023 cohort of the Kazen Fellows - they have my complete love, support and admiration - and have been invited to attend the gala. They are really excited about the event! We have 4 graduating Seniors and I am hopeful that we will be able to award them with a scholarship during the gala.

I look forward to working with you on this event and making it a memorable time for the students, school districts, lawyers, community members, and sponsors - as we come together to celebrate the legacy of Judge George P. Kazen.

Warm regards, ds

Friends of Hospice San Antonio members for thirty-three years have put forth compassion, time, talent, and fundraising ability to continue the mission of Friends of Hospice.

We wish to thank you for the generous donation of \$5000 (Check # 10036413) in Memory of Felice Wolff. We are so sorry for your loss.

Last year over \$150,000 was donated by Friends for uninsured hospice patient care. We are striving to surpass that goal this fiscal year. We are so grateful for generous supporters like you that help sustain us every year.

Since Friends of Hospice started in 1991, our mission has been to increase community awareness and understanding of hospice and to raise funds in support of patients and their families in end-of-life care. With your help, we will continue to serve our San Antonio community, together!

Good morning Gabriel & Kike,

I would like to thank you and IBC for hosting another wonderful, successful Valentines Dinner and Dance for the United Way of Laredo! We had a sold-out event. The dinner was delicious, the 3rd floor looked beautiful, and your staff was so courteous and hospitable. Thank you for always doing more to help everyone in our community live a better life. There is no other entity that I have ever come across in my life that is so committed to Laredo, and “talks the talk and walks the walk” like IBC. Again, thank you, thank you, thank you!!!

Gabriel,

We cannot thank IBC enough for this very generous sponsorship of the Kazen Fellowship Gala. This event allows the Webb County Bar Association the opportunity to transform the lives of low-income, first-generation, motivated, and well-deserving high school juniors and seniors. These students will be trained to become active and engaged community leaders. I can't wait for you to meet the 2023 cohort of the Kazen Fellows - they have my complete love, support and admiration - and have been invited to attend the gala. They are really excited about the event! We have 4 graduating Seniors and I am hopeful that we will be able to award them with a scholarship during the gala.

I look forward to working with you on this event and making it a memorable time for the students, school districts, lawyers, community members, and sponsors - as we come together to celebrate the legacy of Judge George P. Kazen.

Warm regards, ds

Good morning

Thank you for your reply.

Yes, all matters pertaining to this event can come to me. You may include Enrique Lobo (also on this email) as he follows my lead on events like this. I like to keep someone else within the department in the loop in the event of an emergency.

We want to make sure all aspects of this fundraiser are on target. Early planning is key. I must admit we are short staffed so that's another reason I try to execute as much as possible as early as possible.

I would appreciate a review of the invitation at your earliest convenience. I'm sure it will be done beautifully. We will also prepare our menu and the full bar services we will offer that evening. I will get that to you as well. As of now I want to put a buffet consisting of a "surf & turf" combination with a rib eye and shrimp combo along with rice and grilled vegetables with dinner roll. We can put a garden salad pre-set at the table if you wish. The desserts will be a variety of chocolate mousse, fruit tarts and brownie squares served with coffee or hot tea.

As previously mentioned we have ivory tablecloths and artificial table arrangements that we may use for your event. You can advise me later if you wish to rent your own and /or provide your own floral arrangements.

Let me know if you need any easels for any presentation posters. We can take those to the Annex as well for your use.

We ask for consideration of 5 seats at any table in the back for IBC officers that serve as hosts for that evening. We do not need a full table. We also do not need to be at the front. Those should be reserved for your donors.

I will probably be the officer giving the welcome address for IBC Bank.

Thank you again. Have a great day.

Best regards,

Gabriel

Yes, that day is perfect thank you. I did get the email with the invitation requirements but I'm not sure if I received the policies and procedures, if you could send again, that would be great.

I did want to ask also about approval of the invitations and printed materials, should I send that to you before we roll out or is there a procedure for that or another department?

We are honored through the efforts of IBOC that the Holocaust Memorial Museum of San Antonio was able to bring the moving exhibit, "Hate Ends Now: The Cattle Car Exhibit." Dear Jessica Mendiola,

I appreciate your attendance at the auction this year and your contribution to my project. Words cannot express how grateful I am for your generosity and assistance with my livestock project.

This was my second year participating and competing at the Laredo Fair, and I was able to place sixth in my class with my swine project, who I named Pumba (Pumbalicious most of the time). I faced multiple obstacles in raising this year's project but I came out victorious in the end. I learned many valuable lessons- how to properly care for Pumba and get to work on his best features, trying to make his few flaws go unnoticed, network and ask for help, and problem-solve.

I would like to thank you for your financial support, I truly appreciate it. Since it is my final year participating at the Laredo Fair, I plan on using your contribution to help me pay for college. I will be attending Texas A&M University- Kingsville where I will be pursuing a major in Agriculture in Animal Science to help me continue my dream of working with livestock. Your assistance and generous contribution are helping me achieve my goals and follow my dreams.

Dear Ms. Mendiola,

"Sacrifice" is a word that I keep hearing more and more as I grow older. I am now able to get a better grasp of its meaning and understand that it is essential for living a good life. Doing 4-H and raising animals has helped teach me the importance of this. Setting time aside from your day to work with your animal is not easy, and I oftentimes have to give up doing things that I find fun in order to work with my animal. This animal also models sacrifice by giving its life to feed us and provide for society. Your financial contribution exemplifies giving to others and putting others before yourself. The amount of devotion to your community is honorable and I am immensely blessed and grateful for your support for my steer. I hope that this short message can convey just a fraction of my appreciation.

Sincerely,

I just wanted to thank you for purchasing my THIRD place Turkey Hen. I was so pleased that someone like yourself contributed to my growth in this life lesson, so THANK YOU again for providing the financial support. This was my first ever competition and I learned a lot from this experience. I won't lie, it was a challenge and I was hesitant in the beginning but at the end I was so glad I got to live this experience. I got to see how caring for another life is about and being responsible for their every need. I met a lot of new people and became more mature and responsible in the process. I want to thank you because without people like you that contribute to this community, the Instructors, family and for ever friends that helped out, this would not have been possible. Dear Jessica Mendiola,

I hope this letter finds you well. I wanted to take a moment to express my heartfelt gratitude for your generous purchase of my 4H project lamb. Your support means the world to me, and I am incredibly thankful for your kindness and generosity.

As I reflect on my years in 4H, I am filled with so many cherished memories, and this final year has been especially meaningful. It's bittersweet to say that this marks the end of my journey in 4H, but I will forever carry the lessons learned and the friendships made throughout these years.

Your decision to support my project not only helps me financially but also reinforces the values of hard work, dedication, and community that 4H instills in its members. Your investment in my project goes beyond the monetary value; it shows your belief in the future of young people like myself, and for that, I am truly grateful.

As I move forward, I will always hold dear the memories created during my time in 4H, and your contribution will forever be a part of that. Your generosity has made a significant impact on my life, and I cannot thank you enough for your support.

Thank you once again for your kindness and for making my final year in 4H so memorable. Your support will always be remembered and cherished.

On behalf of myself, I would like to thank you for your time and dedication to this year's livestock show. It was a long and hard working year for everyone's involvement. I want to take this time to thank you for your generous donation towards my livestock project this year. My hard work and dedication has truly paid off this year that will help me grow my passion for my next and final livestock project for senior year. As the school year is coming to an end the donations I've received from you will be put to a great cause for my college career as well where I hope to expand my involvement in the agriculture field. Once again thank you for everything you do for the agriculture community.

Hi, my name is K [REDACTED] P [REDACTED] and I'm a member of Magnum 4-H. I would like to take a moment to personally thank you for purchasing my goat, Ripley, this year at L.I.F.E Downs. I really appreciate your generosity and support of the 4-H program.

This year I've learned a lot of skills that I will take with me throughout my life. I took on more responsibility and learned that hard work pays off. I was extremely fortunate to get first in my class and heavyweight champion market goat. I was also called back for showmanship. This year was my senior year and sadly my last year showing. I owe everything I've learned to this amazing program. I am going to miss showing goats but will one hundred percent come back and help out in the showing community as much as I can. I am so grateful for this experience.

I plan on using the money from the sale of my goat for my college fund. I will be attending Texas A&M International University before transferring to Texas A&M, Gig 'Em! I am so excited to be entering this next chapter of my life. I am very grateful for your generous support! Once again, thank you!

Dear Mr. Nixon,

Thank you immensely for providing me with the IBC Bank Foundation Fund. I am currently majoring in Latin American studies and minoring in Spanish creative writing. I remind myself constantly how much of a privilege it is to receive an education, and it is an even bigger privilege to receive support from individuals who believe in supporting first generation college students. With these funds, I will be able to commit myself to my studies and continue to expand my perspective and learn about Latin America. After my studies, I hope to work in education where I can engage and empower youth of color that should be able to see themselves in the workforce through my representation. My studies will be important in seeing things from a different perspective and being able to provide lingual support for those whose first language is Spanish in the classroom.

Thank you again for this wonderful opportunity to pursue my studies. You are investing in students for the betterment of the future.

Dear Mr. Dennis Nixon,

My name is P [REDACTED] K [REDACTED], and I am honored to have been chosen as a recipient of the IBC Bank Foundation Fund scholarship. I would like to wholeheartedly give my thanks to all involved with this generous gift, as it is an opportunity that will greatly impact my educational pathway and so much more.

As a triple major in history, Latin American studies, and Spanish, my primary study goals span a multidisciplinary range of academic fields. As I continue to learn and work in these areas, I find they all work together in support of my passion for learning about the historical and cultural realities of the Americas. Simultaneously, I am working toward the completion of two minors: one in Mexican American Studies and the other in Iberian and Latin American Literatures, Cultures, and Linguistics from the Department of Spanish and Portuguese. I will also graduate with a certificate in Museum Studies from the University's Bridging Disciplines Program, through which I have completed two connecting experiences: one as the Intern of Art of the Spanish Americas at the Blanton Museum, and another in independent research about conservationism and ecotourism in the Colombian countryside. In fact, I presented information on both of these experiences at the BDP academic research poster session earlier this month. Moving forward, I hope to continue my research and experience in these areas, and my next immediate goal is to represent the University to the best of my ability as an international student intern at the archeological site and museum of Tulipe in Ecuador this summer.

It is my professional goal to use these learning experiences to prepare me for future work in the academic, historical, cultural, and/or environmental fields. Most specifically, I hope to one day work in conjunction with dedicated professionals in rural Colombia to build locally-owned museums, educational institutions, and systems of ecotourism that will promote the interconnectedness of cultural history and sustainable development.

In closing, I sincerely express my gratitude once more. Thank you very much, not only for sharing this distinction with me personally, but also for all other recipients. I hope I speak for us all in saying it is an honor and privilege to have been given this opportunity.

Thank you,

The Mission & Vision of Visitation House Ministries

Our Mission

VHM enables mothers and their children to live in safety and security and provides supportive services to those who are experiencing homelessness or at risk.

Our Vision

The majority of homeless families are headed by young, single women with children. Life is difficult for these families. We aim to educate and empower these women and children by providing safe, stable housing and access to educational resources.

VISITATION HOUSE MINISTRIES

History and Mission

Incarnate Word Sisters, Neomi Hayes and Yolanda Tarango, founded Visitation House Ministries (VHM) in 1985, based on the mission to respond to the needs and concerns of economically vulnerable women and children. VHM began as a short-term emergency shelter but in order to offer an alternative to the revolving door aspect of shelter life, the Sisters transformed services in 1993 into a two-year Transitional Housing and Outreach Education Program. VHM has always been attentive to the importance of education as a strong shield against poverty. Through its focus on education, the program successfully transitions women out of homelessness, prevents recurrent homelessness and ensures community re-integration of the family.

Visitation House

Transitional Housing and Outreach Education Program

Core services include: 1) Transitional Housing. 2) Social Services. 3) Education Programs.

La Posada Transitional Apartment Building

The service enriched housing program provides direct services to each family, including case management, parenting, counseling, mentoring, educational assistance, budgeting and independent living skills training. We seek to create an atmosphere of common caring and mutual respect and are committed to ensuring an environment where mothers and their children can develop self-confidence, excel academically and also feel safe and secure, living in stable and healthy surroundings. Women who are college-ready attend one of the local community colleges in pursuit of either a one-year Certificate or a two-year Associate Degree in a chosen field. Women who are not yet prepared to enter a college program usually study GED and/or English as a Second Language (ESL). Children's program services are also provided through an afterschool enrichment program, child-specific learning, and play zones.

Outreach Education Program

VHM extended the valuable education services into the community in 2006 with the launching of the Outreach Education Program to serve a broader population of economically vulnerable women than the housing program could provide. The goal of outreach education is to increase independence for these women by earning a GED, and/or learning English, and thus give them the tools and the confidence to take the next step in their education advancement or employment or to be able to help their children with school work. Whatever their personal goals may be, their participation in the program will ultimately empower them to provide a better quality of life for their families.

Dear IBC Bank,

Thank you for your 2024 Valero Texas Open sponsorship in the amount of \$6,640 for the Veranda at 16. We appreciate the support of all of our corporate sponsors.

Thanks to the generosity of the community, this year's Valero Texas Open, along with the Valero Benefit for Children and Champions for Charity, raised a record-breaking \$24 million, bringing the grand total to \$256 million in charitable giving.

The Valero Texas Open raised charitable dollars through a variety of programs including its pro-am golf tournaments, corporate sponsorships, and ticket & concession sales. As well, the Champions for Charity program raised charitable dollars through nonprofit organizations which solicit donations with a match from tournament proceeds. Funds were also raised through the Benefit for Children - a fundraising event in which participants enjoyed golf or sporting clays competition, all of which was held the Monday following the Valero Texas Open.

Our corporate sponsorships allow us to support many charitable organizations in our local community. These organizations include SA Youth, Friends of Hospice San Antonio, and Kinetic Kids, among many others.

None of this would have been possible if it were not for the steadfast support of our corporate partners, volunteers, fans and spectators, and the greater San Antonio community. On behalf of the Valero Texas Open and Valero Energy Foundation, we would like to extend our sincere gratitude and appreciation for your support and the role you played in making this year's Valero Texas Open an extraordinary success.

Dear Lorraine,

Thank you for your kind donation of \$3,500 on 6/5/2024 benefitting Make-A-Wish Central & South Texas. It is because of supporters like you that Make-A-Wish® can bring children and their families renewed hope, even in challenging times.

Our important work would not be possible without donors like you. Your recent gift helps ensure that no child waits even one unnecessary day to experience the hope and joy that a wish brings. No matter the circumstances, every child deserves a childhood. And, we know that this work is never done. Every 20 minutes, yet another child is diagnosed with a critical illness. Suddenly, their future is filled with painful treatments, long hospital stays and isolation from their friends and family.

But no matter what, this much is certain: Supporters like you will be there, stepping up to give more children the strength to fight their illnesses and the joy of simply being a kid again. For that, there are no words to thank you enough.

Because of you, children who are on their wish journey have much-needed hope for brighter days ahead. You are helping to make every wish come true in the Central & South Texas area. Together, we can continue to be a light of hope today – and beyond.

Warmest wishes to you and your family,

CHRISTUS Children's Initiative

The CHRISTUS Children's Initiative is a membership-based giving platform composed of enthusiastic, philanthropic leaders committed to advancing children's health care in San Antonio and South-Central Texas. Recognizing the collective impact of their giving, members of the CHRISTUS Children's Initiative are empowered to directly allocate their shared funds to address immediate needs at CHRISTUS Children's, the only non-profit, freestanding children's hospital in San Antonio.

Funds raised through this program have launched notable programs at the hospital, including:

- NICVIEW - a secure, web-based video stream that provides families access to their newborns in the neonatal intensive care unit.
- H.E.R.O. Center - a dedicated space focused on empowering caregivers with comprehensive education on enteral feeding tubes tailored to the specific needs of each patient.

Mission Statement

Through the power of collective giving, the CHRISTUS Children's Initiative raises essential funds for groundbreaking improvements in kids' health care at CHRISTUS Children's. By supporting the immediate needs of patients and families at CHRISTUS Children's, we aim to foster a healthier future for our children.

Membership Benefits

By pledging an annual gift to the CHRISTUS Children's Initiative, members receive a range of benefits and opportunities, including:

- Exclusive Learning & Networking Events: Participate in special gatherings tailored for members to deepen your understanding of healthcare needs in our community and connect with fellow advocates for children's healthcare.
- Voting Rights: Exercise your voice in the allocation of funds at the annual awards event.
- Membership Duration: Enjoy membership benefits for one year (July 2024 thru June 2025).
- Opportunity to change kids' lives by supporting the mission of CHRISTUS Children's.

Following the presentation of program cases, members exercise their votes, and collectively determine the allocation of membership funds, maximizing the impact of their donations.

Membership begins at \$1,000, with various opportunities available for individuals and businesses seeking to support this vital cause.

AT HOME IN SAN ANTONIO SINCE 1869

The story of The Children's Hospital of San Antonio began in 1869, when the Sisters of Charity of the Incarnate Word arrived in the area to extend the healing ministry of Jesus Christ. In those days, San Antonio was still very much a part of the “wild west” — a frontier town plagued by a cholera epidemic and the remnants of the Civil War.

From the beginning, the Sisters made children a top priority. However, it wasn't until 90 years after their arrival that their focus became exclusively pediatric; in 1959, the Sisters joined with local leaders to build the area's first and only hospital for children.

Today, the name, physical buildings, and management have evolved. The Children's Hospital of San Antonio now resides in the CHRISTUS family, even as the Sisters continue to play an important role. We've grown to become an internationally recognized academic and research hospital. But the commitment to the area's children has never wavered, and we are honored to carry on the Sisters' legacy as a family-centered, faith-based non-profit.

History of the Foundation

The Children's Hospital of San Antonio Foundation was chartered in 1955 to carry out a vision: That every child in South Central Texas would receive the best available medical care, even if their parents could not pay. That noble calling remains the Foundation's driving motivation.

To date, we have raised tens of millions of dollars to cover treatment, research, programs and capital campaigns for building funds.

These accomplishments stand as a testament to the power of your support, and to the goodwill and compassion of our community at large.

Dear Bob,

Thank you for your pledge of \$25,000 on 7/11/2024. Our mission is deeply rooted in the support we receive from our community, and the gift you make today provides so much more than a home...it provides hope, promise, and possibility for the future.

It is only in working together that we can ensure safe and affordable housing for hard working individuals and families throughout Central Texas. Betsy, an Austin firefighter and single mother, expressed how her new home from Austin Habitat would positively impact her family's future:

"My new house stands for a journey where I can plant roots, where I can invest, where I have stability and consistency for my son, where I can start making countless memories."

As we continue to create life-changing impact in our community, we hope you will remember Betsy's words that speak so clearly to the heart of the Austin Habitat mission. In your decision to give, you have also shown your commitment to making the dream of home ownership a reality for our friends and neighbors in need.

We greatly appreciate your generosity and look forward to building a better future with changemakers like you. If you have any questions regarding this gift, feel free to contact me at [REDACTED]

Dear Ms. Ramos,

CASA's Gallery of Hope event is always exceptional, but this year we have so much to celebrate. Child Advocates San Antonio has a special birthday. We are turning 40!

Thousands of lives have been changed over the decades through the important work of providing volunteer Advocates to children in foster care. We are so honored that you are a part of this year's celebration on November 1st at the Witte Museum.

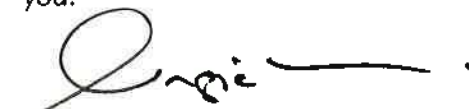

Your sponsor of \$3,500.00 raises the vital funding to make an incredible impact on the lives of children who have experienced abuse and neglect.

Thank you for becoming a *Table Host Level* helping CASA enter our fifth decade ready to give children in foster care the gift of a trusted adult to rely on. Children and youth in foster care need an Advocate to lift their voices in court and put their best interests and wishes first. With your support, children get the help they need to thrive and have hope for a brighter future.

Benefits of your Sponsorship include

- Exciting experience for 10, including event open bar
- Valet parking

We are honored by your support and your commitment to the children we serve. We could not do this work without caring friends like you and for that we are so very grateful. Thank YOU for being part of the Hope, we look forward to seeing you!

Thank you for your sponsorship of our Gifts of Hope fundraiser, Keys for Hope. We received your donation of \$5,000.00 on 6/21/2024. We're thankful you've decided to partner together with Gifts of Hope to offer hope to the heart, soul, mind, and body of Permian Basin cancer patients and their families.

International Bank of Commerce - IBC
5615 Kirby Drive
Houston, TX 77005

Dear Jay,

You make an incredible difference in our community. Because of you, we are uniting donors, volunteers, and community partners to help our neighbors land on their feet — *and stay there*. We know that 14% of families in our community are living on incomes below the federal poverty threshold, and another 31% are working hard and still struggling to afford the necessities of life. These hardworking families often must make difficult choices, such as deciding whether to buy food, go to the doctor, or pay rent.

Connecting people to possibility is a community effort, and we are grateful to International Bank of Commerce - IBC and your employees for contributing \$9,049 to the 2023-2024 United Way Community Campaign and this important work. Together, we help our neighbors move from surviving to thriving.

Our Integrated Client Journey streamlines clients' experiences and helps ensure they get all the support they need to achieve financial stability and sustainable futures. To help our neighbors achieve transformational change, Navigators work one-on-one with clients to understand their goals, help them build their own personalized journeys, and provide resources and support along the way.

With your support, we provide financial stability services, coupled with early childhood and youth development programs and health care programs, all aimed at helping people build stronger, more sustainable futures for themselves and their families. You also help us provide a safety net of basic needs assistance and the 211 Texas/United Way HELPLINE to address our neighbors' immediate needs and connect people with help, hope, and critical resources 24/7/365.

United Way's unique approach brings together the public and private sectors, corporations, and individuals to do what no person or organization can do alone. Last year, we served more than 1.9 million of our neighbors, each with their unique challenges and needs, but all who want the same life of stability. Because of you, we are here to support them on their journey. We are grateful for your extraordinary generosity and look forward to the year ahead with you by our side.

Sincerely,

Dr. Angel Harris

Mr. Dennis Nixon

Thank you very much for your generosity and kindness. I am deeply grateful for this generous act and want to share my sincerest thanks. This generous award will help me in achieving my life dreams and my professional goals. Currently I am complimenting my Latin American Studies degree with a Museum Studies certification. I am enjoying my time here at UT and I am taking classes that focus on the culture of Latin America. I believe that culture and people are what make Latin America a beautiful and unique place. I look back at my time as a banker with fondness. I had developed professional skills as well as attained financial literacy. These skills have helped me to this day, and I am glad to have had that opportunity. I plan on pursuing a graduate degree in anthropology to further focus on the cultural aspects of Latin America. I hope to one day work for a world class museum or library, such as at a Smithsonian Institution or at the National Museum of Anthropology in Mexico City. I hope to not only preserve the culture of Latin America, but to share her beauty with the whole world. Your generosity has made my future much more attainable, and for this I thank you deeply.

Gratefully,

Esteemed Mr. Nixon,

Thank you for the opportunity this scholarship has provided me to continue my studies as a Latin American major. Your financial support is invaluable to me, as a second generation college student from a low income household, this scholarship allows me to not worry about academic costs. Now I can focus on being an engaged and insightful scholar, continuing my education here at this esteemed university. I am sincerely honored to have been chosen as a recipient of your award.

Dear Mr. Dennis Nixon,

Firstly, I want to express my profound honor and gratitude for being awarded the prestigious Spring of 2024 IBC Bank Foundation Fund. With your support, I will be able to pursue my professional interests after college.

As you know, I am graduating from the University of Texas at Austin in May, with bachelor's degrees in Latin American Studies and Journalism, along with certificates in Human Rights & Social Justice and Business Spanish. The past four years have been quite rigorous – academically, professionally, and personally. I've continuously juggled 12-15 hours of coursework, internships/ fellowships, and leadership positions in student organizations.

Though it has proven quite difficult, everything I have done is purposeful and part of my broader career goal to be a bilingual TV news reporter. My passion for covering marginalized communities and illuminating their injustices has guided my work over the past few years, and I am now ready to continue this journey in the next newsroom. Moreover, I am pleased to share with you that I am currently considering two job offers in San Luis Obispo, California and Cleveland, Ohio to work as a bilingual multimedia journalist!

I am deeply grateful for these opportunities. Still, the reality is that most journalists do not earn high salaries, especially at entry level. With your help, I will be able to move across the country to pursue my passion. It is because of your generosity that I can accomplish my dreams and soon make a positive impact in the newsroom and in my local communities.

Sincerely,

T [REDACTED] V [REDACTED]

Dear Mr. Barrera,

On behalf of our Board of Directors, staff, and children in foster care that we serve, we are so grateful for your generous contribution in the amount of \$750 towards a split Noble Sponsorship for our Champions of Courage Luncheon.

We have been responding to the needs of over 49,000 vulnerable children and youth since 1999, and we appreciate your commitment in making a positive change in the aspects of their lives that are often overlooked and underfunded. Thanks to support just like yours, we can provide them with new clothing that fits properly, a comfortable bed to sleep safely, emotional and medical support for the chance to heal, the opportunity to explore their talents and interests, educational resources to excel academically, and preparation for adulthood as they enter a new chapter in their lives.

We are proud to maintain our daily work for children in foster care as we celebrate our 25th anniversary. Thank you for understanding the gift of giving these children the simplest of items, the chance to thrive, and meet opportunities for success. Your generosity means so much to us.

Dear International Bank of Commerce,

Thank you for your generous recent gift of \$1,000.00 to The Salvation Army.

Right now, your donation is at work — helping our neighbors with food, shelter, and clothing. But more than that, your compassion is an example of the healing that's possible during times of great crisis. Your kindness uncovers hope in the midst of despair.

It's so important to remind our neighbors that, even in times of sadness and great loss, there is hope for a brighter future. With your kindness, we can provide that hope. We can be the light of a new day on the horizon.

This is only possible because faithful friends like you make the needs of others a priority.

Thank you, and God bless you for your generosity.

P.S. Thank you for giving on behalf of your less fortunate neighbors. Your donations can — and will — serve those in need.

THANK YOU

You play a vital role in everything that The Salvation Army does. With your help, we can provide for those who turn to us in times of great need. Because of your support ...

THERE IS NO CRISIS THAT CAN'T BE NAVIGATED

The Salvation Army is there, wherever the need may be. Our Emergency Disaster Services (EDS) provides help and relief in the face of great loss and disaster. EDS worker Rick knows this personally:

"When there is a disaster, The Salvation Army is brave."

THERE IS NO HUNGRY PERSON WHO CAN'T BE FILLED

Everyone deserves to have food, but as The Salvation Army sees every day, some members of our community are unable to get the food they need. The people who come to our door know that we are there to nourish them, both physically and spiritually.

"People come to The Salvation Army for all sorts of reasons. They know they'll find help — not just for their basic needs, but emotional and spiritual help, too," says volunteer Debra.

THERE IS NO FAMILY THAT CAN'T BE SUPPORTED

Families that come to The Salvation Army are facing times of crisis and great stress. Whether it's assistance making ends meet or help with the costs of groceries and other necessities, The Salvation Army is there to help mothers and fathers provide for their loved ones.

"We can see now that it was the hand of God that brought us here," Jennifer recalls.

THERE IS NO SENIOR WHO CAN'T BE CARED FOR

Senior citizens are respected and cared for when they come to The Salvation Army. From help with utility bills, to help covering the costs of prescriptions, seniors know they can turn to us for support.

"It makes me proud to say I've been at The Salvation Army," Joe says.

THERE IS NO INDIVIDUAL WHO CAN'T BE SHELTERED

We open our doors to people who have nowhere else to go. The Salvation Army shelters folks who have fallen on hard times. Charelene and her family know this personally:

"I don't know if I can really express how I feel about The Salvation Army. Just grateful."

al Salvation Army programs. Not all programs or services are offered in all areas.

Dear Lorraine,

We are so thankful for your support of our organization this past year! We wanted to give you an update on some of the projects and achievements that were made possible by your generous financial donation.

We were able to purchase a recurve bow to be used by a child in need outside of practice to be able to compete in tournaments. This assists them in having continuity in their shooting helping them achieve better results.

We also assisted with entry fees and travel expenses for a few young archers to compete in the USA JOAD National tournament in Albuquerque, NM where several placed in their divisions. We also assisted with entry fees and travel expenses for one young archer to compete in World Archery Pan American games in El Salvador where the student placed second.

Thank you so much for your generosity and helping these kids learn and improve their skills of archery. We hope we can count on your continued support to enable us to assist even more kids in the future. I have attached pictures of the bow we purchased and a few of the kids that were recipients of your support. Thank you again!

Sincerely yours,

Jennifer Edwards

Subject: [EXTERNAL] Gracias!! Thank you for being a part of the SAMFCO Noche de Amistad 2024 Gala

We would like to thank you for attending the 2024 San Antonio Mexico Friendship Council (SAMFCO) Noche de Amistad Gala celebrating the Diplomatic Relationship between our two great nations!

SAMFCO's mission of strengthening and promoting the cultural ties shared by the citizens of San Antonio and Mexico and supporting the activities of the Mexican Consulate in San Antonio is more important than ever. Each year, almost 2 million people from Mexico visit San Antonio, hitting home the strong ties that bind San Antonio and Mexico.

Thanks to you, we were able to raise funds that are instrumental in providing scholarships to students of Mexican origin – many first-generation graduates – allowing these students to break through economic barriers and begin changing the professional landscape of local and foreign communities. Funding also supports the work SAMFCO does in conjunction with the Mexican Consulate – including preventive health services to thousands of people through its Ventanilla de Salud program which was critical during Covid-19.

It was a fantastic evening as we celebrated community leaders who work tirelessly toward our mission in advocating for strong U.S.-Mexico relations. Caritas Law Firm received the 2024 prestigious Ohtli award from the Honorable Consul General Rubén Minutti Zanatta and the Honorable Mayor Ron Nirenberg. This award is the Mexican Government's highest honor for an individual who has devoted part of their life and professional activities to "forging a new path" abroad for their country men and women.

We are only \$2,500 away from reaching our fundraising goal! We would very much appreciate if you would please consider making a donation to help us get those final few dollars! You can donate easily by clicking this link. [REDACTED]

This funding and these success stories could not happen without your support, so we want to thank you for your commitment to SAMFCO. We have an amazing and giving community in San Antonio and we appreciate your generosity in joining us to support and uplift others.

Dear Bernardo,

Thank you so much for supporting Real Estate Council of San Antonio's second Community Project benefiting Towne Twin Village. Your donation of \$1,000.00 was essential to the Community Project, which would not have been possible without generous patrons like you.

The goal of the Community Project program is to annually provide a tangible benefit to an active partner organization in the larger San Antonio community that is unique to the skill sets of our members being from the local real estate industry. Months of planning culminated in Event Day on October 19, 2024, where over 60 volunteers worked together to make this project a reality. Together, we achieved our goal and beautified the outdoor pavilion area. Because of your generosity, we were able to improve drainage in the area, create a level walking surface, plant almost 100 flowering bushes and small plants, and install ADA-accessible picnic tables, so residents can make full use of the space.

This second Community Project was an encouraging example of what is possible when our industry works together to make change. With the Community Project continuing to expand the reach of the Real Estate Council of San Antonio's Community Relations efforts, we look forward to continuing to improve San Antonio together.

Dear Gabriel,

On behalf of the new Laredo Parkinson's Support Group, the board of director and I would like to thank you for your generous gesture of providing the perfect venue for the first ever Parkinson's Symposium in Laredo. Your support brought needed medical information to this community. Our first effort was a success due to your commitment to this cause - helping to improve the lives of those impacted by Parkinsons.

We had a room full of individuals with Parkinsons, their family members, caregivers, and members of medical community from Laredo and Nuevo Laredo joining the experience. The collaboration with UT Health Science Center at San Antonio has created a remarkable partnership. The Movement Disorder specialists from the Department of Neurology provided a better understanding on the effects of the disease and the treatments.

The Parkinson's population is not feeling so isolated because of the disease. They now know that there is someone out there for them. YOU have truly played a major role in taking our community to a higher level of knowledge and hope.

Respectfully,

Tina Trevino

Dear Mr. Clark:

I want to commend you for believing in — and supporting — The Ark Assessment Center and Emergency Shelter for Youth's mission.

It was demonstrated by your generous \$1,000.00 contribution (Check No. 10033632 dated 07/23/24) for the purchase of one — **LEOPARD LEVEL** table sponsorships at The Ark Gala held Sept. 19, 2024, at the Richard M. Borchard Regional Fairgrounds, 1213 Terry Shamsie Blvd., in Robstown.

The gala's proceeds will help the shelter to meet the needs of the abused and neglected children under its care. The table sponsorship was especially appreciated this commemorative year — the 30th anniversary of the press conference held to announce plans for a facility to assist those victims.

The gala sponsors will be listed in the shelter's newsletter to be published in December, mailed to the facility's supporters and placed on the agency's website.

The facility has only been able to accomplish what it has because of the kindness of wonderful folks such as you.

Since the first resident was welcomed on April 7, 2000, The Ark has been a home to at least 4,500 minors — some as young as 1 day old. You can be assured that you are helping to make a difference in children's lives.

Thank you again from the bottom of my heart for your incredible support for which the shelter is deeply grateful and truly blessed. May the Lord reward you richly for your benevolence.

Sincerely,

Sister Milagros Tormo, M.J.M.J.
