Dear Curtis,

An estimated 500 people attended The Ark Gala held Sept. 21, 2023 at the Richard M. Borchard Regional Fairgrounds.

Preliminary data suggests that the event, which included silent/live auctions, dinner and keynote speaker Gwen van de Pas, generated at least \$100,000.00 in profit for The Ark Assessment Center and Emergency Shelter for Youth.

IBC Bank has my deepest gratitude for contributing to its success. More specifically, thank you for your very generous \$ 1,000 (Check No. 10028032 dated August 30, 2023), and **Leopard** table sponsorship.

It was wonderful to see the turnout, especially since there hadn't been a gala for three years due to the COVID-19 pandemic.

The fund raiser's proceeds pay for services that make a difference in the children's lives at the facility.

It is truly a blessing to have your support. May the Lord bless you for your benevolence.

Dear Mr. Castillo,

Thank you for IBC Bank's charitable contribution of \$14,000 to the Atlantic Council of the United States, Inc. received on November 21, 2023. Your support of the Adrienne Arsht Latin America Center is greatly appreciated and important in helping us to pursue our mission of "shaping the global future together."

The Atlantic Council was founded in 1961 to defend and advance the rules-based international order that far-sighted US leaders, working alongside our allies, built on the ashes of World War II.

Over the past sixty years, we have emerged as America's fastest-growing global affairs organization. Our research focus has expanded beyond the transatlantic alliance, encompassing all prominent global regions and critical functional areas. With sixteen programs and centers and a passionate team of intellectual entrepreneurs, we are more robust and influential than ever before.

Today, we face international challenges that have never been more daunting. Confronting the impact of Putin's war in Ukraine and the permanent effects of an ongoing global pandemic, the Atlantic Council operates globally and across many diverse functional areas to address worldwide threats and create transnational solutions. Seldom have our means and capacities been so urgently needed.

Our remarkable work and impact would not be possible without the generosity of our partners. We are grateful to have you stand with us at these defining moments in history, and we will do our part to help shape a promising, more peaceful future and deliver on our founding purpose.

Thank you again for your generous support and partnership.

Sincerely,

Dear Robert,

Thank you for your continued support of the Colorado River Alliance and for all you have done to champion the long-term vitality of the Texas Colorado River. As the year comes to a close, we are reflecting on 2023 and eagerly anticipating 2024, which brings the Alliance's 30th anniversary and launch of a new strategic plan for the organization. Thank you for being a part of our story, our impact, our history, and our future.

In the past year, your support has made an impact by:

- Providing 2,862 elementary school students with 8,586 hours of hands-on TEKS-aligned STEM education through Field Trips to the Wilkerson Center for Colorado River Education.
- Delivering the award-winning Mobile River to 2,284 middle school students and community members throughout the river basin.
- Coordinating 554 volunteers to remove 12,000 pounds of trash and debris from the Colorado River and its tributaries.
- Equipping 40 educators with 880 hours of free continuing education through the relaunch of Groundwater to the Gulf.

We look forward to seeing you in 2024 to celebrate the 30th anniversary of Colorado River Alliance. Enclosed is our 2024 Calendar of Events so you can join us!

Dear Bob,

With your support, and a community of River Stewards like you, Colorado River Alliance provided hands-on, immersive education and engagement services to 6,151 people last year. Included with this letter is an overview of your generous 2022 giving, which helped make this possible.

The full FY22 Impact Report is available on our website, www.coloradoriver.org, but I wanted to point out a few highlights:

- **Students returned to the Wilkerson Center:** 1,428 elementary and middle school aged students experienced hands-on STEM learning through our flagship programs at the Wilkerson Center for Colorado River Education and Mobile River during the 21-22 school year.
- **Every intern received a \$1,000 stipend:** The CRA program model depends heavily on interns. In appreciation for their service, these future leaders receive mentoring, real-world experience as science educators, and last year, they also received a \$1,000 stipend upon completion of their internship.
- **New CRA website with invaluable resources launched:** The revised CRA website includes an expanded "About The River" section as well as resources for educators and for families.

Now, 2023 is already shaping up to be another exciting year, and I hope you'll join us as our work continues. We'll soon be kicking off the organization's first strategic plan, relaunching the River Society, and announcing this year's John Lay River Hero Honoree. See you on the River!

Greetings!

We wanted to share the wonderful news that The Children's Bereavement Center in Uvalde, TX was officially opened on Thursday, June 29th. The grand opening and ribbon cutting ceremony was uplifting and gave hope for much needed healing in our community. On hand for the ribbon cutting were several students that were in some way impacted on that dreadful day in May of last year. These children recently participated in a summer camp offered by the Center, and seeing them in person was moving and joyous, as they looked happy and healthy. They are a testament to the good this new establishment is doing for the community of Uvalde.

Members of the Hendler Family and American Lumber staff had the pleasure of attending the celebration, and we do not exaggerate when we say that numerous members of the Uvalde community, some with tears in their eyes, were quick to thank us for the donations that benefitted the Center. We took each opportunity to share a bit about each of you, the donors, for without you this center may not have been realized. The numerous calls, emails, and text messages that began pouring in on May 24, 2022, were the catalyst to raising the money needed and creating this space for the children and families affected by this senseless act of violence.

There are truly no words to express our gratitude and appreciation. Please enjoy a few pictures from the grand opening.

Thank you for your support. It has truly made a wonderful difference.

2023 *Swing into Fall Soirée*

A CORPUS CHRISTI MUSEUM OF SCIENCE & HISTORY FUNDRAISER, AUCTION, & DINNER

September 21, 2023 • 6:00 p.m. to 9:30 p.m.

Greetings,

Thank you for your support of the Corpus Christi Museum of Science and History's Swing into Fall Fundraising Soiree, presented by Corpus Christi Medical Center.

Your generosity directly supports our programs and our staff, who collectively preserve and protect artifacts and archives that catalog Corpus Christi's history while inspiring thousands of visitors and school children every year through interactive and imaginative programs that explore the region's history and its ties . . .

- to the science, technology, engineering and math around us every day;
- to geology and geography and their impacts on our lives and livelihoods;
- and to the treasures we cherish most—our traditions, cultures, neighbors, and families.

Your support helps CCMSH celebrate all that makes Corpus Christi, Corpus Christi.

The Swing into Fall Soiree will indeed be a celebration, featuring delectable food, refreshing drinks, a vibrant auction, and a memorable evening of dancing to the music of Matt Hole and the Hot Rod Gang as we pay homage to the Galvan family, their iconic Ballroom, and its impact on Corpus Christi culture.

- Your table will seat up to 10 persons
- Doors open at 6:00 pm
- Guest lists may be provided to andreas2@ccmuseum.com or guests can advise of table sponsor at check in.
- Join the bidding fun at the auction! A dazzling array of items and adventures from one-of-a-kind experiences at the museum to wine country getaways, to fine art and Waterford Crystal, all donated by community business and partners to benefit CCMSH programs.
- Food and beverage: Beer and wine bar, buffet-style dinner, dessert
- Dress: Business casual (and dancing shoes).

Our thanks to Corpus Christi Medical Center for their sponsorship, to Gloria Hicks, our event chair, and to each of you for your support. We look forward to welcoming you and your guests the evening of September 21.

Best regards,

Dear Role Model:

Thank you for taking time out of your busy schedule to participate, as a volunteer, in the Role Model Fair at Harris Elementary School on May 15, 2023. Hope you had a great rewarding experience with the students.

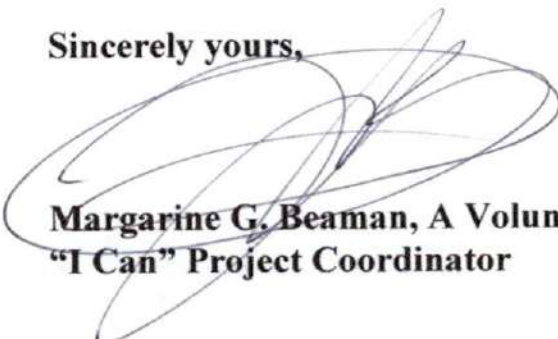

You helped make the Role Model Fair a success. The students and staff thought that you were the greatest.

You helped the students realize that they can accomplish their goals by hard work, determination, ambition, and mainly that a good education will help them throughout their life. You also helped the students realize that with hard work they can be whatever they want to be.

Dear IBC Bank,

On behalf of Kinetic Kids, I want to thank you for being a Copper Star Sponsor for our 2023 Hootenanny Gala. This is our year's biggest fundraiser, and it allows us to add programs, offer scholarships, and expand our reach into neighboring communities, including Castroville, Boerne, and New Braunfels.

Our son Cooper became a Kinetic Kid over a decade ago, and I cannot thank Tracey and Kacey enough for starting this program and bringing together the volunteers, coaches, and therapists who helped our son learn to swim, walk on a balance beam, and ride a bike. I am so grateful for the friends we have made and the milestones we have celebrated thanks to Kinetic Kids.

None of this would be possible without your support, so thank you again for helping our city's differently-abled children discover new abilities and make new friends in a setting where they know they belong.

Dear Buyer,

Thank you for coming to the auction and donating add-ons for the sale of my hog. I truly appreciate your generosity and support. This was my last year raising an animal for the LIFE Fair. I learned a lot about responsibility and leadership that will help me in the future. I plan on using these donations to help offset the cost of raising the hog and putting the rest towards my college education. Once again, thank you for your support.

Sincerely,

Dear, Jessica Mendiola

I would like to begin by thanking you for your generous donation toward my lamb project. You don't know how grateful I am that you took her in as she is my one in a million. I am very thankful and can not express how much it means to me.

Because of your donation I am able to take on another lamb project and hopefully become close to achieving my goal of winning grand or second grand champion. Even though it was very hard for me to let her go and a lot of tears were shed, I have gained experience from this lamb which you have donated to and will take that as an advantage. She meant a lot to me as she was a start to reach for my goal. Her name was Babe and was my 444. She was very picky with a lot of things, like how she didn't let any kid smaller than her to touch her. She loved old people as it reminded her of my grandparents who she liked very much. She loved her walks to the park as she followed me and would only run circles around me. As much as I would like to keep talking about her I have to keep this short and have to express my gratitude. I find this hard because she was my first ever big animal and I couldn't keep her. Without her I would have never been able to grow and learn about her and lambs in general. To be honest I don't think I would change anything as she did get first place in her class so I would say that's pretty great. Though if I had to, I think more walks to the park and more work on her stance and walk, could've helped tremendously. And without you I wouldn't have the chance to get another lamb for next year. This has also helped me a lot with my future career which is to be a veterinarian.

I would like to say thank you one more time even though it still doesn't express how much this truly means to me. I am eternally grateful and will keep pushing so that next year or maybe the following year I will become Grand Champion.

Yours sincerely

For starters, thank you for your attendance and the support given to every showman this year at the LIFE auction. Thanks to generous supporters like you, you allow students to continue their passion as a livestock showmen.

As a first-year lamb showman, I learned the responsibility and dedication of raising livestock. This unforgettable experience taught me to establish prompt routines, including proper feeding, daily exercise drills, correct grooming, showmanship skills, stall cleaning, and overall animal maintenance. Along with the bond I made with my lamb, my passion for the sport of livestock raising guided me through the whole experience.

There is nothing like getting recognition in the show ring for your hard work beforehand. During this year of preparation, I made great friends that taught and guided me through it.

With your contributions, I will put them to the benefit of my following livestock projects and buy the essentials needed to keep my animals healthy.

Once again, with my whole heart, I would like to thank you for your contributions which will help me continue my passion for raising livestock.

Dear Bob,

Thank you for your kind donation of \$25,000 on 10/10/2023 benefitting Make-A-Wish Central & South Texas. It is because of supporters like you that Make-A-Wish® can bring children and their families renewed hope, even in challenging times.

Our important work would not be possible without donors like you. Your recent gift helps ensure that no child waits even one unnecessary day to experience the hope and joy that a wish brings. No matter the circumstances, every child deserves a childhood. And, we know that this work is never done. Every 20 minutes, yet another child is diagnosed with a critical illness. Suddenly, their future is filled with painful treatments, long hospital stays and isolation from their friends and family.

But no matter what, this much is certain: Supporters like you will be there, stepping up to give more children the strength to fight their illnesses and the joy of simply being a kid again. For that, there are no words to thank you enough.

Because of you, children who are on their wish journey have much-needed hope for brighter days ahead. You are helping to make every wish come true in the Central & South Texas area. Together, we can continue to be a light of hope today – and beyond.

Dear Mr. Clark,

On behalf of staff, clients, and board members, I would like to take this opportunity to say **thank you!** Words cannot express our gratitude for your support of the work of The Purple Door. Our mission is to empower the community and those affected by domestic violence and sexual assault to transition to a safe and healthy environment.

Your purchase of one Bronze Sponsorship for our 10th Annual Great Expectations Luncheon enhances our mission and allows us to work toward achieving our vision of ending domestic violence and sexual assault in the Coastal Bend area. We provide free and confidential services for victims that include our 24-hour crisis hotline, safe shelter, case management, counseling, and advocacy as well as our community education and prevention programs.

The tax deductible portion of your \$1,500.00 purchase is \$1,165.00.

We look forward to seeing you at the luncheon. Dear Mr. Castillo:

On behalf of the Board, staff and our patients, thank you for donating a Sony PlayStation 5 worth \$500.00 for the 2023 Hope, Health, and Healing Raffle Fundraiser benefiting the Ruthe B. Cowl Rehabilitation Center.

It is your generous donations that ensure we continue the services needed by our community. The Ruthe B. Cowl Rehabilitation Center has touched the lives of thousands by providing therapy services to patients from Laredo and surrounding areas for the last 60 years. Many of the services offered at the Center are life-changing.

Just last year, the RBC provided over \$422,000.00 of free medically prescribed therapy services; this includes many patients whose physical abilities were affected by the COVID-19 Pandemic.

In addition, our facilities are used by many other medical consultants to provide specialty outreach clinics for children and adults who otherwise would have to travel great distances to receive treatment and diagnosis.

The RBC is a non-profit (501c3) organization whose mission is to assist all individuals with disabilities and conditions that can be improved through physical, occupational therapy, transportation, and social services regardless of age, origin, race, economic status, or ability to pay. **No one is turned away.**

Through the continuous generous support of our community, the Center foresees a bright future.

If we can ever be of assistance to you, please let me know.

Dear Bob,

The Bullock Museum Foundation greatly appreciates your generous support this past year, which helped make it possible for the museum to present its dynamic roster of educational programs both in-person and virtually to learners throughout the state. We are pleased to provide this report on the impact of your generous giving on Texans eager to learn more about their state and their role in the story of Texas:

Highlights of the past year include:

- Captivating special exhibitions including among others: *The 4th Grade Project*, portraits and stories of youngsters from around the world; *Hilos de Tradición: Dresses of Mexico*; and *Art of Texas State Parks*;
- *The Texas Independence Day Dinner* honoring History-Making Texans Admiral William H. McRaven and Roger Staubach in an unforgettable evening that raised record-breaking funds for the Bullock;
- The much-anticipated capitol mall opened and now stands as a crown jewel of this grand civic destination. The mall's inviting green space provides the setting this cultural landmark -- and its iconic Lone Star -- has always merited;
- Complimentary admission enjoyed by 772 active-duty military members and their families as part of the *Blue Star Museums*, 548 participants in food assistance programs as part of *Museums for All*, and 14,226 visitors during *H-E-B Free First Sundays*; and
- A 38% increase in classroom field trip participation over the previous academic year, and almost 10,500 participants in classroom distance learning.

Please find enclosed a photo book memento of the 2023 *Texas Independence Day Dinner* and updates detailing the results of your generosity on a broad and diverse audience. We hope to see you at the Museum very soon.

With best wishes,

Jacqui Schraad
Executive Director

P.S. The Museum's flagship field trip and distance learning programs engage school children across the state in unique and lively learning opportunities that meet TEKS grade-level social studies standards. With our rapidly growing population, it's more important than ever for our young people to understand the shared history that binds us together as Texans. Please find enclosed a gift pledge card if you would like to support this effort. Thank you.

Dear IBC Bank,

On behalf of the residents, trustees, and staff at The Village at Incarnate Word, we wish to thank you for your continued support. Your investment impacted the lives of our residents, clients, and their families in a manner that will carry on far beyond 2022.

We celebrated many wonderful moments this past year including welcoming friends and family back for in-person visits and hosting our first-ever cocktail-style event and fundraiser, Starry Night.

We are thrilled to share with you that assisted living, skilled nursing, memory care, and Sisters Care all received zero deficiencies on their state audits. With these achievements, we hope you feel assured that your trust in us is well placed.

As we prepare for 2023 there is much to look forward to. The Village will celebrate its 35th anniversary this September! Additionally, Sisters Care will celebrate its 30th anniversary making Sisters Care the oldest operating in-home personal care service in San Antonio.

Each milestone and achievement would not be possible without you; therefore, we wish to recognize you and your heart for our mission. We hope your investment in the health, well-being, and spiritual growth of San Antonio's aging community and the retired Sisters of Charity of the Incarnate Word brings you joy.

Most of all we thank you for your kindness and friendship. It truly takes a village to make TVIW thrive. Enclosed please find an itemized list of donations made in 2022. If you have any questions or need additional information, please call [REDACTED] or email [REDACTED].

To our friends at International Bank of Commerce,

From all of us here at United Way for Greater Austin, thank you for your generous support! We are so grateful International Bank of Commerce has joined us on our mission to bring people, ideas, and resources together to fight poverty in our community.

In January 2022, United Way for Greater Austin and United Way of Williamson County joined forces and merged. This merger expands United Way's impact with a regional approach, and helps us better and more efficiently serve a broader community across Central Texas. **In short, it means more people right here in our community will get the help they need.**

Despite the unprecedented level of need in our community, here's one thing we know: When we come together to make sure *everyone* in our community has a chance to reach their full potential, we *all* win. We see examples of this time and time again in our community. **Thanks to your support, thousands of our neighbors are beating the odds and thriving.**

We want to thank you again and update you on what your gift has helped us accomplish this year:

- **52,893 children and individuals** impacted through our strategic work in education, health, and financial stability
- More than **\$4.8 million** invested directly into the community
- **254,387 requests for help** answered through our Navigation Center
- More than **20,000 COVID-19 vaccines** administered to Central Texans

See more of the impact you made possible: <https://bit.ly/22UWImpactReport>

Think of just one of those families, just one of those children, and know that you are making a lasting difference. Even better, with the support of thousands of other donors committed to this mission, we are making a difference together for so many in our community.

I look forward to continuing this work together with you in the year ahead. From all of us at United Way, and most importantly, from those who will know a better life because of our efforts, **THANK YOU.**

With much gratitude,

Over a million households in Greater Houston are struggling to make ends meet. That means 14% of families are living on incomes below the federal poverty threshold and another 31% are working hard and still struggling to afford the basic necessities of life. These working families often must make difficult choices, such as deciding whether to buy food, go to the doctor, or pay the rent.

But with your help, United Way connects people to possibility through financial stability services, coupled with early childhood and youth development programs and health care programs, all aimed at helping people build stronger, more sustainable futures for themselves and their families. You also help us provide a safety net of basic needs assistance and the 211 Texas/United Way HELPLINE to address our neighbors' immediate needs and connect people with help, hope, and critical resources 24/7/365.

Re: 2023 Gift Receipt

On behalf of the directors of the Wendell Family Fund and the citizens and visitors to Rockport, we want to thank you for your support of the Wendell Family Fund in 2023.

We used your gift to help fund the Wendell Family Fireworks professional fireworks show, a tradition which was established in 1965 by Jerry and Jan Wendell for the City of Rockport and surrounding communities. This event draws tens of thousands of people to Rockport each summer to celebrate America's most treasured national holiday, Independence Day, the 4th of July, and is the largest community event for the City of Rockport.

The Wendell Family Fireworks show is funded solely by individual and corporate donations such as yours, and we are extremely grateful for your continued support.

The Wendell Family Fund is a 501 (c) 3 organization. Your contribution is tax-deductible to the extent allowed by law, and we have included your donation information below:

Amount Received: \$ 1500.00

Date: 06/14/2023

No goods or services were provided in exchange for your generous financial contribution.

Thanks again for your donation and for your support. If you have any questions about this form or your gift, please contact me via email [REDACTED].
