There's a lot to love about Google Pay. Like how it lets you use your favorite Visa card at millions of places around the world. See stores and apps that accept Google Pay pay.google.com/about

Get extra layers of security

When you use your phone to pay in stores with an eligible Visa card enrolled in Google Pay, Google Pay doesn't send your actual credit or debit card number with your payment. Instead, a virtual account number is used to represent your account information – so your account details stay safe.
