Ka'ana Wedding Planning Guide

SAY "I DO" LIKE YOU DO

Your relationship isn't like anyone else's. So why would your wedding be?

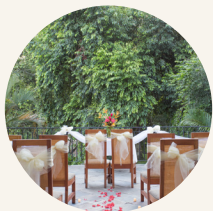

Ka'ana is a boutique resort set in the lush jungle of Western Belize. With adventure and romance, rustic splendor and an organic spa, nature and luxury, we pride ourselves on having it all. And for your wedding, we'll do everything in our power to help you have it all too - from getting married on a Maya ruin to dancing under the stars. You found the person of your dreams, and you deserve the wedding to match.

THE CEREMONY

Have a ceremony as unique as your relationship. Belize is the only country in the world that allows wedding ceremonies on Maya ruins. If exchanging vows on thousand year old ruins isn't your thing, you can also have an intimate ceremony in our garden or go more traditional at a church in San Ignacio.

THE RECEPTION

With 17 acres of tropical gardens, Ka'ana has several options for your reception. You could have your first dance on our open air deck beneath an aromatic mango tree. Your family and friends can dine al fresco or have a more formal meal at La Ceiba restaurant. Our inventive Belizean inspired meals are sourced from our organic garden and our wines are pulled from our 1,000 bottle cellar. Our dedicated wedding coordinator and 6-member culinary team will take care of everything so you can take it all in.

THE HONEYMOON

Start your married life off right with a stay in our Private Pool Villa. Some days might be spent exploring the surrounding jungle with your private guide - horseback riding through Maya ruins, kayaking in a cave or searching for jaguars. Other days can be more leisurely with a visit to the spa or dip in your own private pool. At night, enjoy private candlelit dinners in our wine cellar or next to our infinity edge pool. Then, follow it up with some stargazing by the fire.
