

Welcome to Harvard Square

Cambridge Common House does not have guest parking on-site. We encourage guests to utilize public transportation or a car service. For those who do arrive by car, we have a partnership with the University Place Garage—about a 7-10 minute walk to and from the property. To secure parking in this lot, please request a parking pass prior to your reservation. Additional parking options are listed to the right.

Limited metered street parking is available surrounding the hotel for \$2/hour with a two-hour limit between 8am-8pm, Monday through Saturday (free Sundays and holidays).

Rates and regulations subject to change; check with garage before parking.
