

Beyond Green Celebrates 10 Member Hotels Honored in 2025 MICHELIN Key Awards

New York, New York (October 2025): [Beyond Green](#), a global portfolio of some of planet Earth's most sustainable accommodations, is proud to announce that 10 of its member properties have been recognized in the 2025 MICHELIN Key Awards, a prestigious distinction celebrating excellence in hospitality around the world.

Now in its second year, the MICHELIN Key Awards recognize hotels that exemplify outstanding design, architecture, service, and personality. As the hotel equivalent of the MICHELIN Star for restaurants, the Key distinction is awarded by the MICHELIN Guide inspection team following anonymous visits to more than 5,000 hotels worldwide. Properties are evaluated for their unique hospitality concept, distinctive character, warm welcome, and consistently high level of service.

"These accolades reflect the passion and dedication of our member hotels to deliver impactful, sustainable, and inspiring travel experiences," said Philipp Wegmann, President of Beyond Green. "Each honored property shows how luxury can be deeply rooted in purpose – through regenerative practices, community engagement, and authentic hospitality."

Beyond Green Member Hotels named with MICHELIN Keys include:
