

BEYOND GREEN

Beyond Green Celebrates 14 Member Hotels, Resorts and Lodges Honored in the *Condé Nast Traveler* 2024 Readers' Choice Awards

New York, New York (October 1, 2024): [Beyond Green](#), a global portfolio of some of planet Earth's most sustainable accommodations, is proud to announce that 14 of its member properties have been honored in the 2024 *Condé Nast Traveler* Readers' Choice Awards. This prestigious award series is one of the travel industry's most enduring and respected accolades, celebrating excellence across a broad spectrum of categories, from hotels and resorts to cities, countries, and spas.

Selected by the discerning readers of *Condé Nast Traveler* (U.S.) and *Condé Nast Traveller* (U.K.), these awards highlight the best of global travel, with more than 500,000 sophisticated travelers casting their votes in 2024. Properties in the Beyond Green portfolio were judged on a comprehensive set of criteria, including their ability to provide not only exceptional guest experiences but also meaningful contributions to environmental sustainability, local communities, and cultural preservation. This year's results reflect the most elite travel experiences across the globe. Candidates were assessed on a standard five-point scale, with the highest scorers emerging as award winners.

Beyond Green, which now represents over 40 properties across 20 countries, continues to grow with purpose. Recent additions to the portfolio span Africa, Europe, and Latin America, with each new member committing to over 50 sustainability indicators aligned with global standards and the United Nations Sustainable Development Goals. Guided by its core pillars of Nature, Culture, and Community, Beyond Green empowers conscientious travelers to discover eco-friendly accommodations, forging a more positive future for travel worldwide.

ABOUT BEYOND GREEN

Guided by a passion to embrace travel as a force for good, Beyond Green is a global portfolio of some of planet Earth's most sustainable accommodations. To create a more purposeful way to explore the world where good guests meet good hosts, Beyond Green has curated a unique portfolio of hotels, resorts, and lodges based on their commitment to deliver on the three pillars of sustainable tourism: environmentally friendly practices that go beyond the basics; protection of natural and cultural heritage; and contribution to the social and economic wellbeing of local communities. To be considered for membership in Beyond Green, a property is vetted according to more than 50 sustainability indicators that align with global sustainable tourism standards and the United Nations Sustainable Development Goals. Owned and operated by Preferred Travel Group – the family-owned company that manages and operates other hospitality brands including Preferred Hotels & Resorts, Historic Hotels of America, and Historic Hotels Worldwide – Beyond Green ushers in a new way to experience genuine hospitality by the people for the planet.
