FREQUENTLY ASKED QUESTIONS

WHAT TYPES OF BAR PACKAGES DO YOU OFFER?

The most popular choice is an Open Bar. Clients can choose from three different grades of alcohol (Silver, Gold, and Platinum) where a flat fee is charged on a per person basis for a pre-determined amount of time and clients may choose from a selection of beer, wine, and liquor.

A second option is a Consumption Bar, where the bartenders will provide you and all your guests with drinks for a predetermined period and run a bar tab in your name. At the end of the night, an itemized invoice will be presented, and your on-file credit card will be charged for the drinks consumed.

Lastly is a Cash Bar package, where your guests pay for their own drinks using either their credit card or cash.

IS THERE CHAMPAGNE?

Yes, the Platinum and Gold Open Bar Packages feature a house champagne stocked at the bar. However, you may consider adding a Champagne Toast to any package. Additionally, Premium Champagne can be provided for a fee simply by contacting your Event Planner.

DO YOU OFFER WINE SERVICE DURING DINNER?

Our staff is more than happy to pour wine for all your guest once the appetizer have been delivered and will refresh your guests wine glasses throughout dinner service.

Contingent upon purchasing an Open Bar package, there is an additional fee of $5 per person for wine service under the Silver and Gold packages and $9 per person for Platinum packages. If you don't have an Open Bar package, you may elect to have wine service billed on consumption basis.

CAN I SPECIAL ORDER AN ITEM NOT LISTED IN MY BAR PACKAGE?

that may not already be in your bar package. The Inn can make best efforts to price and secure special requests in a volume appropriate for your event, though does not make any guarantees on such items. Items that you have purchased that are leftover following your event are subject to the laws of the New York State Liquor Authority.

CAN I SET UP A SECOND BAR OR A STATION BAR?

You can set up a small station bar in the Victorian Inn with a limited selection of items for a $100 set-up fee. If utilizing our Enchantment Venue, you can use our secondary bar set-up with limited alcohol selections for a $500 set-up fee or our secondary bar set-up with the full bar inventory of your bar package for a $1,000 set-up fee. Should additional bartenders be necessary to staff your secondary or station bar there is a $200 staffing fee per additional bartender.

MAY I BRING IN OUTSIDE LIQUOR/BEER/WINE TO THE EVENT?

Unfortunately, no. All alcohol is secured by the Inn at Taughannock Falls and distributed on property under the guidelines set forth pursuant to our liquor license with the NY State Liquor Authority. Outside alcohol brought into our operating venues is forbidden and will be removed.

I HAVE A RELIGIOUS OR SENTIMENTAL ALCOHOLIC BEVERAGE THAT YOU ARE UNABLE TO ORDER FROM A DISTRIBUTOR, CAN I BRING THIS ITEM IN?

Religious or sentimental items can be approved on a case-by-case basis and are subject to both the New York State Liquor Authority guidelines and any existing corkage fees at the time of the event.

ARE NON-ALCOHOLIC DRINKS INCLUDED IN MY BAR PACKAGE?

Your Non-alcoholic drinks are included in all Open Bar Packages, are billed to you directly for Consumption Bar tabs, and are billed to your guests directly during a Cash Bar.

ARE CHILDREN INCLUDED IN MY OPEN BAR PACKAGE?

Anyone under the age of 21 should be excluded from your Open Bar package guest count. We charge a $10.00 fee for all children under 21 for unlimited Non-alcoholic drinks. Pregnant guests can be excluded from the open bar package guest count, all other adults of legal drinking age are counted.

ARE THERE ANY TIME RESTRICTION ON BAR SERVICE?

Based on the hotel package you have secured; you can pay to extend your bar service and extend the length of your event with your Event Planner. Keep in mind that by 12:30PM, event bartenders will issue "last call" to ensure alcohol services end promptly at 1AM.
