

WE'RE GROWING HABITAT
TO HELP SAVE THE

MONARCH BUTTERFLY

WE ARE PARTICIPATING IN THE EFFORT TO
REVERSE HABITAT LOSS

... and save the monarch butterfly by growing
vital habitat to support monarch breeding and
migration patterns on our golf course

Turf Valley Nature Trail

STAY ON
TRAIL

LEAVE NO
TRACE

NO BIKES

DOGS MUST
BE ON LEASH

Blue Trail - .7 Miles

Orange Trail - .3 Miles

Follow the trails for a
peaceful 1.4-mile walk
through the woods.

Stop at the interpretive signs
along the way to discover the
plants and animals that call
Turf Valley home.

Once you reach
"Monarch Landing", relax
at our pollinator habitat.

Remember that you are a
visitor in the home of
many plants and animals.
Please be respectful of
them by staying on trails
and leaving no trace.

Enjoy!
