# FACIAL TREATMENT

## **ANTI-AGING SIGNATURE TREATMENT**

**(60 minutes)**

**Price: THB 3,000 per person**

This nourishing treatment is designed to address nutrient deficiencies, wrinkles, and other signs of aging in the skin. It utilizes potent ingredients such as retinol, DNA, replenishing spheres, collalift, ginkgo biloba extract, hydrocyte, and vitamin 56 to stimulate the formation of new skin cells, reduce wrinkles caused by free radicals, and deeply nourish the skin cells. It is suitable for individuals over 30 years of age.

## **MOISTURIZING SIGNATURE TREATMENT**

**(60 minutes)**

**Price: THB 3,000 per person**

This nourishing treatment is specially formulated to address dry and dehydrated skin. It uses hydro-captors, shea butter, trace elements, and phospholipids to release water to the deep skin cells, soften the skin, form a protective film on the skin, and reduce evaporation of water from the upper skin cells. Additionally, it stimulates and strengthens the skin cells while reducing skin irritation.

# FACIAL TREATMENT

## **BALANCE SIGNATURE TREATMENT**

**(60 minutes)**

**Price: THB 3,000 net per person**

This treatment is designed to nourish and condition oily and combination skin. It helps to reduce oiliness on the face and prevent acne with ingredients such as Seboregulator, Choloheidine digluconate, Zinc, Keratolite, and Enteline 2, which control the function of the sebaceous glands and prevent overproduction of sebum. It also inhibits and resists the appearance of bacteria and blackheads, reduces inflammation, and minimizes skin irritation. The treatment leaves the skin balanced, clean, fresh, and helps to shrink pores.

## **SOOTHING SIGNATURE TREATMENT**

**(60 minutes)**

**Price: THB 3,000 net per person**

This treatment is specially designed to nourish and regulate delicate and sensitive skin with hypoallergenic ingredients such as chamomile, corn, and oak root that reduce or suppress irritation. It helps protect the skin from pollution and uses kaolin to nourish and feed the deep skin cells, leaving the skin soft, hydrated, vibrant, and radiant.
