YMCA OF THE ROCKIES

COLUMBARIUMS AND LEGACY GARDENS

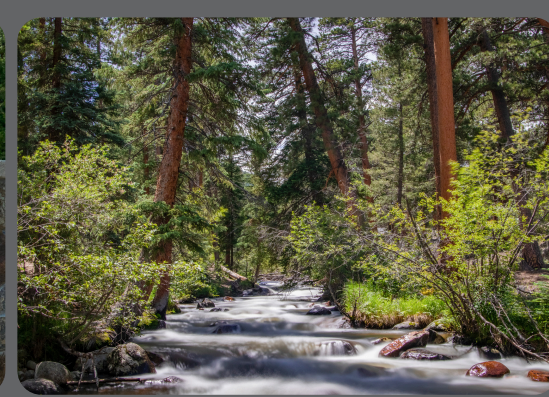

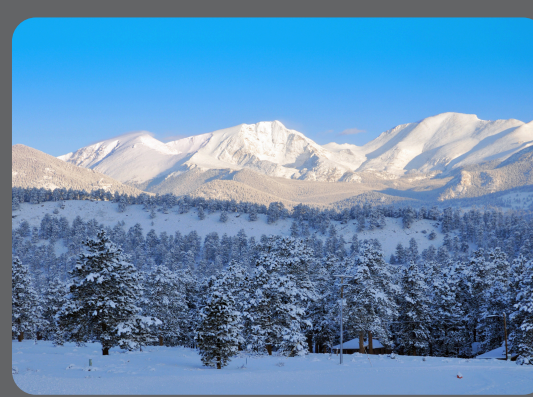

CONNECTING GENERATIONS

For many families, visiting YMCA of the Rockies at Snow Mountain Ranch or Estes Park Center has been a tradition. People have grown up here and later brought their own children to experience this uniquely beautiful part of the world.

Would you like to make YMCA of the Rockies your final resting place?

A columbarium is a special, sacred place where friends and family may gather for remembrance and prayer. We've created unique spaces to provide a final resting place for friends of the YMCA, consecrated and conserved in a spirit of dignity and reverence.

WHY A COLUMBARIUM NICHE?

Columbarium niches offer several advantages. They are sealed from moisture, which protects the urns and the cremains. They conserve land, offering a greener burial alternative. Each niche is designed to hold two urns. You don't need to be a member of YMCA of the Rockies to purchase a niche.

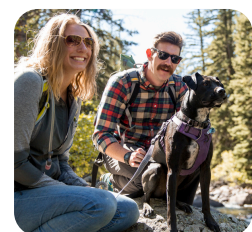

WHY MAKE THIS YOUR FINAL RESTING PLACE?

Our columbarium will be maintained and honored. Your family and friends can make remembering you part of their tradition when they visit Snow Mountain Ranch or Estes Park Center. It's a reminder of what was important to you in your life, which will be a comfort to your loved ones.

WHY PURCHASE NOW?

Purchasing a niche ahead of time guarantees your spot. You could also reserve several niches for other family members so you can be together. Planning ahead eases the burden on your loved ones in the future. A portion of your niche purchase is tax-deductible.

**WHILE TIMES WILL CHANGE,
YOUR SPOT IN THE COLUMBARIUM
CAN LEAVE A LASTING LEGACY
FOR YOUR FAMILY.**

PET COLUMBARIUM

A pet columbarium is a beautiful and peaceful final resting place for pets who have passed away. Similar to a human columbarium, urns containing pet cremains are placed in niches. The pet columbarium is located at the Adams Ronan Legacy Garden at Snow Mountain Ranch.
