LENNOX MIAMI BEACH HOTEL

Your Key to Miami's Best

Text Emilia Florek-Guerrero

Miami's ever-evolving skyline and vibrant energy continue to draw people from every corner of the globe. Year-round, the Magic City serves up something for everyone - from sun-soaked beaches, cutting-edge art, and glittering nightlife to unforgettable

experiences with a blend of Latin flair and coastal glam. Known by locals as "the 305", this cosmopolitan metropolis greets you with open arms and endless possibilities.

At the heart of it all, Lennox Miami Beach is your gateway to the city's best. It puts

you close to all the main areas of South Beach and right in the heart of South Florida. Perfectly positioned at 19th and Collins Avenue, it is just a short stroll from the golden sands of South Beach in one direction, world-class dining, and shopping in the other, including the chic

boutiques of the iconic Lincoln Road. Here, your holiday paradise is quite literally at your doorstep.

Entering the premises of Lennox Miami Beach feels like stepping back in time – into the glamorous Art Deco era that defines Miami Beach. Originally built in the 1930's and designed by legendary Russell Pancoast, the hotel preserves its historic architecture and timeless character, seamlessly blending heritage with contemporary elegance.

The Lennox Miami Beach has been reimagined with a stylish update, featuring a refreshed interior and a warm, sand-toned façade. Handcrafted

Patagonian wood along with natural, organic textiles create a connection to nature, while lush greenery throughout the property improves the air quality, softens the sounds of the bustling city, and promotes sustainability with reduced energy consumption. Its 118 uniquely styled rooms are designed with thoughtful details and top-tier comforts, including luxe Molton Brown bath amenities, soft bathrobes, and much more.

Lennox Miami Beach features a serene Mediterranean-style courtyard with a swimming pool - the perfect spot to relax without the need to leave the property. You can savour al fresco dining or enjoy

light bites and craft cocktails at the poolside lounge. For an added touch of luxurious indulgence, a Champagne vending machine awaits, stocked with Laurent-Perrier La Cuvée to make any moment truly sparkle.

Once you are ready to hit the town, the Lennox Miami Beach makes getting around effortless with complimentary shuttle services within a one-mile radius of the hotel. Best of all, you can enjoy exclusive access to a private beach with complimentary lounge chairs and towels, the ultimate setting to lounge and enjoy the sun.

To wrap up your day and tantalize

your taste buds, head to Amalia, the hotel's signature restaurant. Serving Mediterranean cuisine infused with a Latin twist, each dish is a journey of flavours. Dining under the stars, embraced by the warm "Magic City" air, will certainly leave lasting memories in your heart and soul.
